

University of Notre Dame  
2020 Annual Security & Fire Safety  
Report

## CHIEF'S GREETING

Dear Notre Dame Community Members,

The Notre Dame Police Department (NDPD) is committed to providing a safe, well-ordered environment where the spirit of Notre Dame can thrive among our students, faculty, staff and guests. Our team of dedicated professionals works around the clock to prevent crime, accidents and other sources of harm from impacting the Notre Dame community and to respond efficiently, effectively and compassionately when issues arise. The department proactively engages partners on and off campus to achieve this mission and asks that every member of the Notre Dame community take responsibility for their own safety and the safety of those around them. NDPD staff strive to exemplify the department values of respect, integrity, service and excellence in everything they do.

This Annual Security and Fire Safety Report provides information about campus safety and security policies, procedures, systems and resources as well as statistical information about reports of crime and other incidents (including fires) that occur on campus and at certain remote locations. It is published in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the Higher Education Opportunity Act.

Please familiarize yourself with the resources and other helpful information contained in this Report so you can actively assist us in maintaining a safe and secure environment for the Notre Dame community. Remember that you are an important part of the safety and success of Our Lady's University, and NDPD is proud to partner with you to ensure that the Notre Dame community can be "one of the most powerful means for doing good in this country."

## LAW ENFORCEMENT ON CAMPUS

The University of Notre Dame Police Department (NDPD) is fully authorized as a police agency by the State of Indiana. The University employs both sworn police officers (with arrest authority) and non-sworn campus safety officers (without arrest authority) who patrol campus and respond to emergencies. Additional staff members work as security monitors or in other support positions in the department.

Notre Dame police officers complete state mandated training requirements established for law enforcement officers and have the same legal authority as any other police officers in Indiana. Notre Dame police officers have the authority to enforce state and local laws and University policy. The University's police officers have jurisdiction on campus and on public streets immediately adjacent to and running through the campus; they also have jurisdiction throughout St. Joseph County and, under certain circumstances, throughout the state of Indiana.

NDPD has Outreach and Engagement staff that promote events to enhance community awareness and involvement. NDPD also has Safety and Inspection staff that perform various inspections in campus buildings.

Notre Dame Police staff frequently work with city, county, state and federal law enforcement authorities. Agencies cooperate whenever possible on investigations and crime prevention programs to provide the best possible police

services to our campus and local communities. NDPD has a written agreement with the St. Joseph County Metro Homicide Unit regarding death investigations, a written agreement with the South Bend Police for response to possible explosive devices, and a written agreement with the St. Joseph County Prosecutor's Office Cyber Crimes Unit regarding the technology-based investigation of crimes. NDPD does not have a written Memorandum of Understanding with any other police agency. When a Notre Dame student is involved in an off-campus offense, university officers may assist with the investigation in cooperation with local, state or federal law enforcement.

The University of Notre Dame does not officially recognize any student organization with a noncampus location. Many students live in the neighborhoods surrounding Notre Dame. Responsibility for providing police services in these neighborhoods rests primarily with city and county police (depending on location).

Officers maintain a 24-hour patrol of campus every day. In addition to the patrol section, officers are assigned to an investigation unit, a crime prevention and technical service unit, and a parking services and special event security unit.

## THREAT ASSESSMENT AND MANAGEMENT

Most of us are aware of recent acts of violence, including incidents on campuses, in schools, in houses of worship and in public venues. Experts point out that in virtually all cases of violence, someone (sometimes many people) in hindsight had concerns about the perpetrator, may have known of the planned violence and yet did not report the concerns to authorities before the attack.

If you know about concerning behaviors or threatening behaviors (including statements) please share the information with us so we can evaluate the concern or threat and take steps to promote community safety. Simply put:

***If you see something, say something.***

The information you provide will be evaluated by trained professionals, kept private to the extent possible, and appropriate action will be taken to promote safety of the community and support the individuals involved.

Our focus in all instances is on helping individuals and in keeping the community safe. If you are unsure whether a situation should be reported, you should err on the side of caution and talk to one of our reporting resources about your concerns.

If you are aware of an individual exhibiting concerning or threatening behaviors or statements, please promptly notify one of the following resources:

## CRIME REPORTING

### Reporting an Incident

Any crime, emergency or suspicious situation on campus, including situations that may involve an immediate threat to the health or safety of members of the community, should be reported immediately to the Notre Dame Police Department (NDPD). On campus incidents of sexual assault, sexual misconduct, dating violence, domestic violence, and stalking may also be reported to the St. Joseph County Police Department (574-235-9611). This includes situations where the victim of a crime elects to report a crime, as well as when a victim is unable to make such a report. Anyone may call at any time.

Individuals are encouraged to accurately and promptly report crimes to NDPD for various security and safety reasons, including for the purpose of notifying and protecting the community when needed, and providing accurate annual crime statistics to the public.

A number of blue light emergency call stations are positioned around the campus for use in contacting NDPD, and telephones are located at the main entrances of most residence halls. For any emergency, dial 9-1-1 to summon assistance. When calling from a cell phone, NDPD recommends dialing (574) 631-5555 for emergency and non-emergency situations and to request services on campus. Both of these numbers are answered 24 hours a day.

Except for confidential communications made to pastoral or professional counselors or health care professionals, the University expects all employees to report to NDPD any crime reported to the employee that occurred at the University. This is necessary not only to protect the Notre

Dame community, but also to enable the University to comply with its legal obligation to disclose and report campus crimes.

### Online Reporting Option

There is an online option for reporting to the Notre Dame Police Department instances of vehicle or property vandalism, property theft, or lost property that are not in progress and have occurred on the main campus. This online reporting option (available [here](#)) is intended for crimes involving damage or a loss of up to \$2500. Call NDPD at 631-5555 if the incident is in progress or there is more than \$2500 in damage or loss.

### Response to Reported Sexual Assault, Dating Violence, Domestic Violence and Stalking

The section entitled “Sexual Assault, Dating Violence, Domestic Violence and Stalking” provides an overview of the University’s procedures for reporting instances of Sexual Harassment, which includes, but is not limited to, sexual assault, dating violence, domestic violence and stalking, and of the confidential and other resources available to students and employees.

For more detailed information concerning the reporting options and on-and off-campus resources available to those who wish to report incidents of sexual assault, dating violence, domestic violence and stalking, see the [Procedures for Resolving Concerns of Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct](#), which is attached as Appendix 2.

## Reporting Crimes Confidentially (i.e., without sharing victim's name)

Members of the Notre Dame community are encouraged to refer crime victims to NDPD to report crimes. Alternatively, victims and/or witnesses who wish to report crimes may do so on a voluntary confidential basis – i.e., without sharing the victim's name – for inclusion in the annual disclosure of crime statistics, as explained below.

Anyone may submit crime reports confidentially (i.e., without sharing the victim's name) on forms available from NDPD. NDPD will then include the reported crimes in the annual disclosure of crime statistics.

The form for reporting sexual assaults confidentially for inclusion in such crime statistics is available [here](#). The form for reporting other crimes confidentially for inclusion in such crime statistics is also available [here](#). These forms are in .pdf format and can be downloaded and filled out.

Once completed, attach the form to an email to NDPD at [NDPD@nd.edu](mailto:NDPD@nd.edu); or send it by mail to: Notre Dame Police Department, 204 Hammes Mowbray Hall, Notre Dame,

IN 46556; or drop off to NDPD at Hammes Mowbray Hall.

When confidential reports provide sufficient detailed information to enable law enforcement officials to classify the offense by using Department of Education guidelines, including the definitions FBI's Uniform Crime Reporting (UCR) program, the crime will be included in Notre Dame's annual disclosure of crime statistics.

In addition, confidential crime reports made to pastoral or professional counselors may be shared with NDPD officials with no personally identifying information disclosed for the purposes of including the information in Notre Dame's annual disclosure of crime statistics.

## Anonymous Reporting

Anonymous crime reports may be made through Michiana Crime Stoppers by calling (800)-342-STOP (7267) or online [here](#). Anonymous reports that contain sufficiently detailed facts for classification of the offense by law enforcement officials using FBI UCR guidelines will be included in annual crime report disclosures.

## RESPONSE TO REPORTED INCIDENTS

Communications Officers at NDPD are available 24 hours a day to answer your calls. In response to a call, NDPD will take the required action, either dispatching an officer or asking the victim to report to NDPD at Hammes Mowbray Hall to file an incident report. NDPD incident reports concerning students are forwarded to the Office of Community Standards for review and potential disciplinary action, as appropriate. NDPD Investigators will investigate a report when it is deemed appropriate.

NDPD Officers may also arrest individuals based on a reported criminal incident.

Additional information obtained through the investigation of students will also be forwarded to the Office of Community Standards for review, as deemed necessary. For information about the specific response to reports of sexual assault, dating violence, domestic violence and stalking, see the [\*Procedures for Resolving Concerns of Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct\*](#) in Appendix 2.

## WARNINGS AND EMERGENCY NOTIFICATION

### Crime Alerts (a/k/a Timely Warnings)

In the event a serious crime occurs on campus and poses a serious, ongoing threat to members of the Notre Dame community, a mass email Crime Alert will be sent to all students and employees on campus and posted on the Notre Dame Police Department website, and may be posted in the residence halls and other buildings on campus. The determination of whether a crime poses a serious, ongoing threat is made primarily by NDPD, which may consult with other University officials as appropriate.

The alerts are generally written by the Chief of Notre Dame Police or a designee, and they are distributed to the community by listserv operated by the University's Office of Public Affairs and Communications. Updates to the Notre Dame community about any particular case resulting in a Crime Alert may be distributed via email, may be posted on the Notre Dame Police website or may be shared with the Observer student newspaper for a follow-up story. Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of complainants. Such alerts and updates shall not include identifying information about the complainant in any publicly-available recordkeeping to the extent permitted by law.

Crime Alerts are generally distributed as soon as pertinent information is available, to aid in the prevention of similar crimes. Crime Alerts will usually be distributed for the following Uniform Crime Reporting Program (UCR) classifications: criminal homicide, robbery, and major incidents of arson. Cases involving other serious crimes, such as aggravated assault, sex offenses and motor vehicle thefts, are considered on a case-by-case basis, depending on the facts of the case and the information known by

NDPD. For example, if an assault occurs between two students who have a disagreement, there may be no ongoing threat to other ND community members and a Crime Alert would not be distributed. In cases where a serious crime is reported long after the incident occurred, there may be no ability to distribute a "timely" warning to the community and a Crime Alert would not be issued. For this reason, the decision of whether to issue a Crime Alert for serious crimes is considered on a case-by-case basis, depending on when and where the incident occurred, when it was reported, and other relevant information available to the University.

### Immediate Threat (NDAlert)

Notre Dame will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. NDPD and NDFD are primarily responsible for confirming that there is a significant emergency or dangerous situation on campus that could cause an immediate threat to the health and safety of the members of the campus community. However, there are other departments on campus that could be in a position to confirm certain types of emergencies, such as a pandemic flu outbreak, chemical spill in a lab, etc.

The University has implemented ND Alert, a comprehensive emergency notification system, to communicate with campus constituents during a major emergency. The Emergency Operations Center ("EOC") Leader, Vice President for Campus Safety (or designee) and the Vice President for Public Affairs and Communications (or designee) are generally responsible for developing, authorizing and initiating the use of such

tools as well as approving the messages to be distributed unless there are extenuating circumstances, such as a weather emergency or an active critical situation that warrants immediate distribution of an alert. In those cases, the NDPD officer in charge is authorized to approve the activation of an alert.

A basic set of alert messages has already been developed by the University to expedite the delivery of these messages during a critical incident, but the Vice President for Public Affairs and Communications (or designee) and NDPD Communications Officers may edit those messages, as necessary.

The Vice President for Public Affairs and Communications (or designee), and NDPD Communications Officers will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to NDPD and NDFD), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

While the scope of the University's plan includes physical and non-physical emergencies, the mass notification system will be used only during emergencies threatening the health and safety of students, faculty, staff and other constituencies on campus at the time of an incident. When activated, the emergency notification will be sent to all segments of the community, unless the EOC Leader, Vice President for Campus Safety, and/or the Vice President for Public Affairs and Communications (or their respective designees) determine, while taking into account the safety of the community, that circumstances warrant and permit notification to a smaller segment of the community. Depending on the scope of the incident, the EOC may use one or any combination of the mass notification tools available through ND Alert. These tools, which are listed in the following paragraph, may also be used to inform the community about instructions for immediate evacuation, shelter in place or other action needed on the part of students, employees, and campus visitors.

**Mass notification system:** Through this service, campus leaders can send simultaneous alerts to individuals in a matter of minutes through landline phones, cellular

phones, Public Address over Internet Protocol (IPPA), text messaging, speakers on VOip telephones and e-mail. To fully participate in this system, students, faculty and staff need to provide the University with key contact information such as their cell phone numbers and e-mail addresses in addition to their Notre Dame e-mail. Students can provide emergency contact information during the semester enrollment process, and employees can update such information via "insideND" on the University's intranet.

The Vice President for Public Affairs and Communications (or designee) and NDPD Communications Officers are trained to distribute messages via the mass notification system, and the system will be used in events where the University assesses a risk of serious bodily injury or death to Notre Dame constituents.

As noted, while all messages must typically be approved by the Vice President for Public Affairs and Communications (or designee), messages may be automatically distributed by the NDPD Communications Officer in certain campus emergencies. Specifically, in the event that the St. Joseph County tornado siren is activated, the NDPD on-duty supervisor would authorize an ND Alert message to be distributed to the campus community. In other incidents that provide immediate danger to campus (e.g., active shooter, NDPD in pursuit of the suspect of a serious violent crime, HAZMAT situation, etc.), the NDPD officer in charge would approve an ND Alert message.

The University's [emergency website](#), which is updated by the Office of Public Affairs and Communications (OPAC), will serve as the primary source of follow-up information and instruction during times of campus emergencies. Emergency information is made available to the larger community, including parents of students and the people in South Bend and the surrounding areas, through the website. In times of no emergency, a statement will remain on the site indicating that the University is operating under normal business conditions.

*A note regarding COVID-19.* University officials and various departments within the University are monitoring the impact of the COVID-19 pandemic on University operations. Information concerning COVID-19 and the University response to the pandemic can be found [here](#).

## EMERGENCY RESPONSE AND EVACUATION GUIDELINES

ND community members are encouraged to notify NDPD immediately of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate threat to the health and safety of students, employees or any others on campus. NDPD has the responsibility of responding to, and summoning the necessary resources to mitigate, investigate, and document, any situation that may cause a significant emergency or dangerous situation.

In addition, NDPD has a responsibility to respond to such incidents to determine if the situation does, in fact, pose a threat to the community. If so, federal law requires that the institution notify the campus community or the appropriate segments of the community that may be affected by the situation.

### Emergency Response

The University's Campus Emergency Preparedness and Response Plan includes information about the Management of Emergency Response and Operations, the Emergency Operations Center (EOC), and Communication Responsibilities. University departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. The University conducts emergency response drills and exercises each year, such as table top exercises, field exercises, and tests of the emergency

notification systems on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution. The University's emergency response coordinator plans these drills and exercises, and maintains a record with the following details on each such drill and exercise: description; date; time; whether it was announced or unannounced; and the opportunities for improvement identified as a result of the drill/exercise. Tests of the emergency notification systems, certain emergency response drills, and field exercises will be announced in advance to the campus community via email and other messaging tools. Table top exercises and select emergency response drills will not be announced to the campus community.

The University's emergency responders, NDPD police officers, and their supervisors and administrators have all received training in Incident Command and Responding to Critical Incidents on campus. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually NDPD and NDFD, with the assistance of neighboring public safety agencies, as needed. These agencies typically respond and work together to manage the incident, under the unified command of NDPD and NDFD. Depending on the nature of the incident, other University departments and other local or federal agencies could also be involved in responding to the incident.

## Evacuation Guidelines

The University has general evacuation guidelines, in the event that a segment of the campus needs to be evacuated. Most evacuations occur during activated fire alarms, which require all occupants to promptly evacuate the building. Other portions of the plan would be affected by a myriad of factors, including the type of threat, the occupancy of the other buildings and areas of the campus at the time of the incident, etc. Therefore, specific information about a multi-building or area evacuation cannot be shared with the campus community in advance.

ND expects members of the community to follow the instructions of first responders on the scene, as this type of evacuation would be coordinated on-site. For example, in some emergencies, you may be instructed to “shelter-in-

place.” This option may be utilized if an incident occurs and the areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances. In these cases it may be safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside. If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out.

If your building is damaged, take your personal belongings (purse, wallet, access cards, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators).

Other options include moving to another part of your building, or evacuating from your building to an outside area or a neighboring building, as directed. Please follow the directions of on-scene police or fire department personnel or the announcements made via the ND Alert system.

Additional information about the emergency response/evacuation procedures are available in du Lac and online ([here](#)). The University also publicizes a summary of its emergency response and evacuation procedures at least once each year in conjunction with an emergency test, such as an exercise or drill.

## NOTIFICATION OF MISSING STUDENTS

If a member of the Notre Dame community has reason to believe that a student who resides in on-campus housing is missing, he or she should promptly report the matter to NDPD, which may be contacted at (574) 631-5555. When NDPD receives or is referred a report on a missing student, it will generate a missing person report and initiate an investigation.

After investigating the missing person report, should NDPD determine that the student is missing and has been missing for more than 24 hours, ND will notify St. Joseph County Police (and/or any other local law enforcement agency with jurisdiction), and the student's emergency contact, within 24 hours after the student is determined to be missing.

In addition to registering an emergency contact, all students have the option to confidentially identify during the Roll Call process an individual to be contacted by Notre Dame in the event the student is determined to be missing for at least 24 hours. The contact information that students provide for any missing person contact will be registered confidentially, will be made accessible only to authorized Notre Dame officials, and will not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation. The missing person contact information will be used when a student who resides in on-campus housing is reported as missing. This information can also be used to assist other law enforcement agencies when a student who resides off campus is reported missing.

If a student has identified such an individual, ND will notify that individual (as well as St. Joseph Police Department and the student's emergency contact) no later than 24 hours after the student is determined to be missing.

If the missing student is under the age of 18 and is not an emancipated individual, the University will also notify the student's custodial parent or legal guardian within 24 hours after NDPD has determined that the student has been missing. NDPD may make notification sooner than 24 hours.

## CAMPUS SAFETY BEGINS WITH YOU

The Notre Dame Police Department provides important services to the community, but nothing we do can replace your actions in maintaining security and safety on campus. The crime prevention and security awareness programs and information described below are designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others.

Take time to learn about crime prevention and safety – for yourself and your fellow community members. Information and awareness are your best weapons against crime and accidents. Information in du Lac: A Guide to Student Life and a brochure, “How to be ‘Streetwise’ and Safe”, which is available from NDPD upon request, provide important strategies for promoting safety. Additional pamphlets and posters, addressing a wide variety of safety-related matters, are available from NDPD.

### Educational Programs

Upon request by students, residence hall staff, faculty or other employees, NDPD staff will provide educational programs addressing safety-related matters including self-defense, security awareness, campus security procedures and practices, crime prevention, safe driving, alcohol laws, bystander intervention, active shooter prevention and response or other safety topics. The frequency of programs facilitated in person varies from year to year and is based on requests for programs by the ND community.

Safety information outposts are staffed during orientation weekend. Staff receive basic safety information during employee orientation. Throughout the year, NDPD in cooperation with other university organizations has

presented crime prevention awareness sessions and campus security procedure sessions on average 10 times per month. These sessions cover a variety of topics. In addition, information is disseminated to students and employees through crime prevention and campus security procedure messages, posters, displays, on-line videos, articles and advertisements in university and student newspapers. For more information about the date and location of such programs, contact the NDPD crime prevention coordinator.

### [NDPD.nd.edu](http://NDPD.nd.edu)

The best source of information concerning campus crime reported to NDPD is the department website ([here](http://NDPD.nd.edu)). The site contains Crime Alerts (a/k/a Timely Warnings), a log of crimes reported to NDPD, annual crime statistics and crime prevention information (as well as other information about NDPD services). Crime prevention information includes video presentations on a variety of topics such as protecting property and identity, sexual assault, everyday personal safety, stalking, and what to do in a classroom or crowd shooting.

A printed copy of the crime log is also available during normal business hours from NDPD in Room 252 Hammes Mowbray Hall. NDPD staff regularly provide information to The Observer for news stories. In the event of a serious crime or incident on campus that may pose a serious, continuing threat, Crime Alerts are sent to the university community via e-mail and posted on the NDPD website. Everyone is encouraged to review such information and to share the information with others who may not have seen it so steps can be taken to minimize exposure to risks.

## CLERY ACT CRIME STATISTICS

The compilation of information and annual crime statistics disclosed in accordance with the Clery Act is the responsibility of the Chief of the Notre Dame Police Department.

The Notre Dame Police Department will gather data from its own records, as well as those maintained by other University departments and offices, and from local, county and state police agencies. A written request for crime statistical information is made on an annual basis to all employees. For purposes of compiling annual crime statistics, crime reports are classified following FBI Uniform Crime Report guidelines. NDPD records all reports of criminal activity made to the department.

The tables on the following pages provide information about serious crimes and attempted crimes that were reported as well as arrests and referrals for violations of liquor laws, for drug offenses and for weapons offenses.

### Notes for Crime Statistics

NDPD seeks and includes crime data provided by the Indiana State Excise Police, the Indiana State Police, St. Joseph County Police, South Bend Police and the Roseland Town Marshal.

### 2017, 2018 and 2019 Hate Crimes Statistics

There were no hate crimes reported to NDPD or to other campus security authorities in 2017 or 2018 for the categories of crimes listed in the charts on the following pages, or for any crime involving bodily injury that manifested evidence that the victim was intentionally selected because of the victim's actual or perceived race, gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability.

In 2019, there was one hate crime of Intimidation characterized by national origin and one hate crime of Vandalism characterized by race reported to NDPD.

### 2017, 2018 and 2019 Unfounded Crimes

In 2017, four crimes were formally determined by sworn law enforcement personnel to be baseless, and were therefore "unfounded" following a full investigation into each of the reported crimes.

In 2018, one crime was formally determined by sworn law enforcement personnel to be baseless, and was therefore "unfounded" following a full investigation into the reported crime.

In 2019, there were no crimes determined to be unfounded.

## GETTING AROUND CAMPUS SAFELY

### Campus Lighting and Physical Plant

Facilities Design & Operations (“FD&O”) and Landscape Services maintain University buildings and grounds with a concern for safety and security. Campus facilities and lighting are regularly surveyed by physical plant staff. NDPD staff assist FD&O by reporting potential safety or security concerns. Anyone who notices a safety or security problem with the physical plant or campus landscaping should contact the manager of the facility or Facilities Operations (574-631-7701) or Landscape Services (574-631-6537). After business hours, contact NDPD.

operate a golf cart, equipped with an amber light on top, or they will wear a SafeBouND vest. They are in radio contact with the NDPD Communication Center. SafeBouND will operate in the evening hours during the academic year. Golf carts will be used Sunday through Wednesday, and walking escorts will be offered Thursday through Saturday.

During evening hours when SafeBouND is not operating, campus safety officers and police officers provide this service and can be reached by calling (574) 631-5555.

### Bus Service On Campus

The University of Notre Dame is party to an agreement with the South Bend Public Transportation Corp. (TRANSPO) that allows students, faculty and staff to ride fare-free on all TRANSPO routes in South Bend/Mishawaka. This includes the #7 and the Sweep routes that serves the Notre Dame and Saint Mary’s campuses.

TRANSPO schedule and route information is available [here](#). Administrative shuttles run to various parking lots and buildings on and around campus. For detailed information and shuttle route maps please click ([here](#)). The shuttles runs in the morning, at lunch and at the end of the business day. For more information, contact Business Operations at (574) 631-6661.

### SafeBouND (formerly known as O’SNAPE)

When walking on campus after dark, students can use the SafeBound app (found at NDMobile) or call (574) 631-5555 for an escort from the men and women of Notre Dame SafeBouND. A SafeBouND employee will meet the student and escort that student from any point on campus. The service is free and confidential. SafeBouND is comprised of student employees; they will typically

## Security of and Access to Residence Halls and Other Campus Facilities

The Notre Dame campus and University facilities on it are private property. Individuals are allowed on campus at the pleasure of the University. It is the University's expectation that visitors abide by University rules. Policies for persons visiting residence halls are outlined in *du Lac: A Guide to Student Life*. Visitation in residence halls by members of the opposite sex is restricted to hours between 9 a.m. and midnight Sunday through Thursday, and until 2 a.m. on weekends. Except in those buildings where posted notices prohibit trespassing, most non-residence campus buildings are open to guests during normal business hours. Visitors' access to offices, rooms, labs and studios is restricted in these buildings and not permitted without permission from a University representative. Community members are encouraged to immediately notify NDPD if visitors are present in these areas. Academic and administrative buildings are generally open and accessible to students, staff and visitors during the day and into the evening hours, depending on the activities scheduled in each facility. For information about specific building hours, contact the building manager or NDPD.

Safety and security within undergraduate residence halls is the joint responsibility of the Offices of Community Standards and Housing, and NDPD. Entrances to residence halls are generally locked at all times except during move-in and move-out. Student ID cards are required to operate the locks on exterior residence hall entrances. Residents of graduate student housing are

responsible for maintaining security in their apartments by keeping doors and windows secured.

Ensuring that residence halls are free from uninvited visitors requires that residents themselves take an active role in making sure strangers are reported to hall staff and/or Security. Residents should protect themselves by always locking their doors whether they are in or away from their rooms – even when leaving for a moment. Residents should not prop open locked doors. Remember too, that residents are held accountable for the actions of their guests.

NDPD officers patrol the campus through vehicle, bicycle and foot patrols and conduct periodic checks of residence halls.

## SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, AND STALKING

The University of Notre Dame strives to maintain a community characterized by a respect for others. At a minimum, this means a community that is free from sexual harassment and sexual violence. The acts of sexual assault, dating violence, domestic violence and stalking can be considered forms of sexual harassment. Accordingly, Notre Dame prohibits Sexual Harassment in all its forms, including, but not limited to, the acts of sexual assault, dating violence, domestic violence and stalking.

Additional information concerning the University's prohibition of sexual assault, dating violence, domestic violence and stalking, can be found in the University's [Policy on Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct](#) ("Policy on Harassment"), which is attached to this Report as Appendix 1.

### A. Definitions of Sexual Assault, Dating Violence, Domestic Violence and Stalking

Acts of sexual assault, dating violence, domestic violence and stalking not only violate University policy, but can be crimes as well.

#### 1. Indiana State Law

Acts of sexual assault, dating violence, domestic violence and stalking occurring within the context of interpersonal relationships may be criminal offenses under the Indiana Criminal Code.

##### a. Sexual assault

Under the Indiana Criminal Code, the crime most closely corresponding to sexual assault is *rape*. The crime of *rape* is committed when an individual knowingly or intentionally has sexual intercourse with another person or knowingly

or intentionally causes another person to perform or submit to other sexual conduct when:

- (1) the other person is compelled by force or imminent threat of force;
- (2) the other person is unaware that the sexual intercourse or other sexual conduct is occurring; or
- (3) the other person is so mentally disabled or deficient that consent to sexual intercourse or other sexual conduct cannot be given.

"Other sexual conduct" means an act involving: (1) a sex organ of one (1) person and the mouth or anus of another person; or (2) the penetration of the sex organ or anus of a person by an object.

*The crime of rape is a Level 3 felony.*

##### b. Dating violence

There is no specific definition or prohibition of "dating violence" in the Indiana Criminal Code. However, physical violence by one person against another would be considered *battery*, which the Indiana Criminal Code defines as knowingly or intentionally:

- (1) touching another person in a rude, insolent, or angry manner; or
- (2) placing any bodily fluid or waste on another person in a rude, insolent, or angry manner.

*The crime of battery is a Class B misdemeanor.*

### c. Domestic violence

The Indiana Criminal Code defines *domestic battery* as knowingly or intentionally:

- (1) touching a family or household member in a rude, insolent, or angry manner; or
- (2) placing any bodily fluid or waste on a family or household member in a rude, insolent, or angry manner.

*The crime of domestic battery is a Class A misdemeanor.*

### d. Stalking

The Indiana Criminal Code defines *stalking* as a knowing or intentional course of conduct involving repeated or continuing harassment of another person that would cause a reasonable person to feel terrorized, frightened, intimidated, or threatened and that actually causes the victim to feel terrorized, frightened, intimidated, or threatened. The term does not include statutorily or constitutionally protected activity.

### e. Consent

The age of consent in Indiana is 16, but the term *consent* is not defined by Indiana law.

## 2. Definitions under University Policy

The University prohibits all forms of Sexual Harassment including, but not limited to, the acts of sexual assault, fondling, incest, dating violence, domestic violence and stalking. The University's definitions of those prohibited acts, along with its definition of consent, can be found in its *Policy on Harassment* (Appendix 1) and are also set forth below.

### a. Sexual assault

**Sexual assault** is any sexual intercourse by any person upon another without consent. It includes oral, anal and vaginal intercourse or penetration, to any degree, with any part of the body or other object. It is also referred to as "non-consensual sexual intercourse."

### b. Fondling

**Fondling** is touching of the private body parts (i.e., genitals, buttocks, and/or breasts) of another person for the purpose of sexual gratification, without Consent.

### c. Incest

**Incest** is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

### d. Dating violence

**Dating violence** is physical violence or the threat of physical violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with an individual, and the existence of such a relationship shall be determined based on factors such as the length and type of relationship, and frequency of interaction between the persons involved.

### e. Domestic violence

**Domestic violence** is physical violence or the threat of physical violence committed by a current or former spouse or intimate partner of an individual, by a person with whom the individual shares a child in common, by a person who is cohabiting or has cohabitated with the individual as if a spouse (as determined under applicable law) or intimate partner, or by a person similarly situated to a spouse of the individual under applicable domestic or family violence laws.

### f. Stalking

**Stalking** is knowingly or intentionally engaging in a course of conduct involving repeated or continuing harassment of another person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

### g. Consent

**Consent** means informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; sexual contact without informed, freely given consent is sexual misconduct. There is no consent when the individual in question is under the legal age of consent. The legal age of consent in Indiana is 16.

Intoxication is not an excuse for failure to obtain consent.

Incapacitation is a physical or mental state such that a person lacks the ability to make a knowing and deliberate choice to engage in the sexual interaction. For the purposes of the University's *Policy on Harassment*, a person who is asleep or unconscious is incapacitated, without exception. A person may also become incapacitated due to other factors, which may include the use of alcohol and/or drugs

to such a degree that the person no longer has the ability to make a knowing or deliberate choice to engage in the sexual interaction. Engaging in sexual activity with a person whom you know, or should reasonably know, to be incapacitated constitutes a violation. If there is a question about whether the complainant was incapacitated, the relevant standard is whether the respondent knew, or a sober, reasonable person in the respondent's position should have known, that the complainant was incapacitated and therefore could not consent to the sexual activity.

## **B. Prevention and Awareness Campaigns**

The University provides prevention and awareness campaigns for new and current students and employees to promote awareness and reduce the risk of sexual assault, fondling, dating violence, domestic violence and stalking. These programs are offered during orientation sessions for new students and employees to raise awareness of such crimes, and to help prevent them from occurring by addressing options for bystander intervention and information on risk reduction, including recognizing warning signs of abusive behavior and how to avoid potential attacks. Throughout the year, programming of this nature is directed to the campus community through other training programs made available both online and, where possible, in person (e.g., numerous residence halls sponsor speakers and host panel discussions on sexual assault), or through emails or other communications. One such initiative, greeNDot, is a campus wide violence-prevention initiative that aspires to bring about a cultural shift in how we address violence on campus by targeting all students, faculty and staff and teaching them how to integrate moments of violence prevention into their existing relationships and activities, thereby improving their proactive and reactive bystander behaviors.

The NDPD Crime Prevention office also gives various presentations throughout the year on sexual assault, fondling, stalking, and violence in relationships, and offers "360 Stay Safe," an educational video that addresses stalking and relationship violence, [here](#).

## **C. Reporting and Responding to Complaints Alleging Sexual Harassment**

The University provides resources and has procedures in place to support those who report Sexual Harassment, which includes, but is not limited to, sexual assault, fondling, dating violence, domestic violence and stalking.

### **1. Reporting Sexual Harassment to the University and Law Enforcement**

Reports of Sexual Harassment should be made to the University's Office of Institutional Equity in person, by telephone (574-631-0444), by email ([equity@nd.edu](mailto:equity@nd.edu)),

through use of the online incident reporting form at [speakup.nd.edu](http://speakup.nd.edu), or by mail at the following address:

Assistant vice President, Office of Institutional Equity &  
Title IX Coordinator  
100 Grace Hall  
University of Notre Dame  
Notre Dame, IN 46556  
574-631-0444  
[equity@nd.edu](mailto:equity@nd.edu)

Additional information concerning how to report violations of the Policy can be found in the University's [\*Procedures for Resolving Concerns of Discriminatory Harassment, Sexual Harassment, and other Sex-Based Misconduct\*](#) ("Procedure for Resolving Concerns of Harassment"), which is attached to this Report as Appendix 2.

In addition to reporting violations to the University, the University encourages all members of the Notre Dame community to report all incidents of sexual assault, dating violence, domestic violence and stalking to the police. In such cases, complainants may (a) notify proper law enforcement authorities, including NDPD and other local police; (b) be assisted by campus authorities in notifying law enforcement authorities if the complainant so chooses; or (c) decline to notify law enforcement authorities.

The University will provide complainants with written notice of their rights and reporting options, including their rights to pursue their complaints through the University's administrative Sexual Harassment Procedures. Complainants interested in exploring whether they might be entitled to an order of protection, restraining order, or other similar orders issued by a criminal or civil court, are encouraged to contact Notre Dame Police or the [Family Justice Center of St. Joseph County](#).

For more detailed information concerning the reporting options available to those who wish to report incidents of sexual assault, dating violence, domestic violence and stalking, see the *Procedure for Resolving Concerns of Harassment* (Appendix 2).

### **2. Resources for Medical, Counseling and Pastoral Care**

Individuals who have been sexually assaulted, or subjected to other intimate partner violence such as dating violence, domestic violence or stalking, are strongly encouraged to seek immediate and appropriate medical treatment. Such treatment is also important to preserve evidence in the event the individual later files criminal charges, or seeks to obtain an order of protection. The two hospitals in the South Bend area are St. Joseph Regional Medical Center ([sjmed.com](http://sjmed.com)) and Memorial Hospital ([beaconhealthsystem.org](http://beaconhealthsystem.org)). While both offer emergency care and evidence collection, only St. Joseph has a specially trained sexual assault team available

24 hours a day, seven days a week. Under Indiana law, the tests and procedures at the hospitals are free of charge if treatment is sought within 120 hours of the assault. The evidence gathered in this examination is maintained by the hospital and is not provided to the police unless the individual reports the assault to the police.

Students and employees are provided written notification concerning the medical, mental health and pastoral services available for complainants and respondents, both within the University and in the community. For additional information concerning these resources, see the *Procedure for Resolving Concerns of Harassment* (Appendix 2).

### 3. Privacy and Confidentiality of Reports

Notre Dame recognizes that confidentiality is important, and will attempt to protect the confidentiality of those involved in its resolution processes, to the extent practicable. Examples of situations where the University cannot guarantee confidentiality include the following:

- When required by law to disclose information (e.g., in response to a subpoena, or court order);
- When disclosure is determined to be necessary for effective investigation of the claim(s); or
- When confidentiality concerns are outweighed by the University's interest in protecting the safety and/or rights of others.

Students and employees who wish to keep confidential the details of an incident of sexual assault, dating violence, domestic violence and stalking are provided a number of on-campus and off-campus confidential resources (including, but not limited to, counselors, health providers, vowed religious, and off-campus rape crisis resources). These resources will honor confidentiality unless there is an imminent danger to the individual or others, or unless otherwise required by law. In addition, an individual's disclosure of such incidents during the sacrament of confession will not be revealed by the priest for any reason, which is a sacred obligation protected by law.

Campus officials (other than those identified as confidential resources) who receive a report of Sexual Harassment, which includes, but is not limited to, a report of sexual assault, dating violence, domestic violence or stalking, are required to share that information with the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (the "AVP/TIX Coordinator") (or designee) for investigation and follow-up. To the extent any such reports result in the creation of publicly available recordkeeping, including the issuance of Crime Alerts (a/k/a timely warnings) and other Clery Act reports to the campus community, these records, Crime Alerts, and any updates to them will be drafted in a way that does not

include personally identifying information about the complainant, to the extent permitted by law.

For additional information concerning the privacy and confidentiality of reports, including the identification of the specific confidential resources available to members of the Notre Dame community and the role of University ombudspersons, see the *Procedure for Resolving Concerns of Harassment* (Appendix 2).

### 4. University Response to Reports

The University offers a wide range of resources for complainants and respondents, to provide support and guidance throughout the initiation, investigation and resolution of a report under the Policy. Upon receipt of a report, the University may provide interim measures to address concerns regarding safety and well-being and to facilitate the parties' continued access to University programs and activities. Interim measures can include, but are not limited to, no-contact orders, making alternative academic arrangements; making changes to class or work schedules or extracurricular activities; and making transportation, housing and dining arrangements. To the extent possible, the University will maintain the confidentiality of any interim measures provided to the extent practicable.

When the name of a respondent has been identified, the AVP/TIX Coordinator (or designee) will, where appropriate, issue no-contact orders to the complainant and respondent. These orders are separate and distinct from protective and/or restraining orders issued by courts, and questions about the court-issued orders should be directed to local law enforcement.

The University will also provide written notice to student and employee complainants and respondents about existing counseling, health, mental health, victim advocacy, visa and immigration assistance, and other services available for complainants and respondents, both within the University and in the community.

The complainant and respondent will also be referred to separate Resource Coordinators, who will help the complainant and respondent to identify, explain and navigate University processes and available support services. This can include referrals to counseling, educational support, pastoral care, and medical treatment, as well as information about University and legal processes.

For additional information concerning the University's response to reports, including the implementation and notification to complainants and respondents of interim or other protective measures, see the *Procedure for Resolving Concerns of Harassment* (Appendix 2).

## 5. Procedures for University Disciplinary Action in Cases of Alleged Sexual Harassment

Members of the Notre Dame community who have been subjected to Sexual Harassment, which includes, but is not limited to, sexual assault, dating violence, domestic violence or stalking, are strongly encouraged to review and report the incident in accordance with the *Procedure for Resolving Concerns of Harassment* (Appendix 2). They are also strongly encouraged to contact the AVP/TIX Coordinator (or designee) with any questions concerning their rights and options, or the University's procedures. University policy prohibits acts of retaliation against those who in good faith report alleged sexual harassment, and/or participate in a related investigation or proceeding. Although the *Procedure for Resolving Concerns of Harassment* describes in detail the University's procedures for institutional disciplinary action in cases of sexual assault, dating violence, domestic violence or stalking, the following are some of the key components of the University's procedures for disciplinary and other action in such cases:

### Initial Assessment

- Upon receiving a report of sexual assault, dating violence, domestic violence or stalking, the AVP/TIX Coordinator (or designee) will respond to any immediate health or safety concerns, and then conduct an initial assessment of the nature and circumstances of the report to determine whether the reported conduct involves a potential policy violation and, if so, the appropriate proceeding(s) to bring the matter to resolution. Following completion of the initial assessment, and depending on the findings in the initial assessment, the report may proceed through several possible resolution mechanisms: (1) the report may be referred to the Alternative Resolution process; (2) the report may be referred to the University's Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct; (3) if the conduct falls outside the scope of du Lac's policies, the report may be referred to the appropriate entity to address the concerns reported; or (4) the matter may be closed.

### Alternative Resolution

- After completing the initial assessment, the AVP/TIX Coordinator (or designee) may determine that the Alternative Resolution Process may be appropriate for resolution of the complainant's report. The Alternative Resolution Process is a voluntary, education and remedies-based process that is not intended to be disciplinary in nature. Alternative Resolution is conducted under the supervision of University-sanctioned, trained professionals, and may be used in certain

circumstances, but only with the voluntary, informed consent of both parties, either of whom may end the Process at any time.

### Sexual Harassment Procedures – Formal Complaint

- At the conclusion of the initial assessment, if the report alleges conduct that falls within the prohibition of Sexual Harassment in the *Policy on Harassment* (Appendix 1), the AVP/TIX Coordinator (or designee) will inform the complainant that a Formal Complaint is required to proceed under the Formal Proceedings for Sexual Harassment under the *Procedures for Resolving Concerns of Harassment* (Appendix 2). The Sexual Harassment Procedures involve continued investigation and could also result in disciplinary action against a respondent.
- As noted above, a Formal Complaint of Sexual Harassment should be made to the University's Office of Institutional Equity in person, by email ([equity@nd.edu](mailto:equity@nd.edu)), through use of the online incident reporting form at [speakup.nd.edu](http://speakup.nd.edu), or by mail at the following address:

Assistant Vice President, Office of Institutional Equity & Title IX Coordinator  
100 Grace Hall  
University of Notre Dame  
Notre Dame, IN 46556  
574-631-0444  
[equity@nd.edu](mailto:equity@nd.edu)

For additional information concerning the filing and the University's handling of Formal Complaints, see the *Procedure for Resolving Concerns of Harassment* (Appendix 2).

- Upon receipt of a Formal Complaint of Sexual Harassment, the AVP/TIX Coordinator (or designee) will provide the complainant and respondent a written notice of investigation containing information concerning (i) the conduct allegedly constituting a Policy violation, (ii) the alleged Policy violation(s), and (iii) the parties' rights under the Sexual Harassment Procedures.

### Sexual Harassment Procedures – Formal Proceedings

- When a Formal Complaint is referred to the Formal Proceedings under the Sexual Harassment Procedures, an investigator will be appointed to conduct a prompt, thorough, fair and impartial investigation.
- *Advisors.* The complainant and respondent may each be accompanied by an Advisor of his/her choice at each stage of the Sexual Harassment Procedures in which the party participates. Except

during the Hearing, the advisor role is non-speaking. If a party does not have an Advisor to accompany him/her at the Hearing, the party will be appointed to an Advisor of the University's choice.

- *Investigation.* The University-appointed Investigator will provide a prompt, fair, thorough and impartial investigation of the Formal Complaint. During the investigation, both parties will have the opportunity to provide relevant information, including to identify witnesses and provide other relevant evidence.
- *Investigative Report.* After completing the information-gathering portion of the investigation, including sharing all evidence with and soliciting additional information from the parties, the Investigator will prepare an Investigative Report that outlines each allegation that potentially constitutes Sexual Harassment, an overview of the procedural steps of the investigation, and summarizes the relevant evidence obtained during the Investigation. The parties will be provided access to the final Investigative Report and all evidence related to the allegation(s) in it, and may provide a written response to the Investigative Report in advance of the Hearing.
- *Hearing.* Upon receipt of the Investigative Report, the AVP/TIX Coordinator (or designee) will convene a Hearing Board, which will conduct a hearing to determine, by a preponderance of the evidence, whether the Respondent violated any provision of the *Policy on Harassment* (Appendix 1). Each party and participant will be provided at least ten days' written notice of the Hearing. Members of the Hearing Board will be provided a copy of the Investigative Report, along with all evidence provided to the parties and all party responses to the Investigative Report, if any. The Hearing is an opportunity for the Complainant and the Respondent to address the Hearing Board in person, to make opening and closing statements and present relevant witnesses.
- *Hearing - Complainant-Respondent Communications.* Neither the complaint nor the respondent may directly communicate with each other before, during or after the Hearing; nor may they ask questions of each other or of any witnesses that participate in the Hearing. However, although not otherwise permitted to participate in the Hearing, the Advisor to each party will be permitted to ask questions of the other party and any witnesses.
- *Hearing - Determination and Sanctions.* Following the Hearing, the Hearing Board will issue a written determination as to whether, based on a preponderance of evidence, a violation of policy

has occurred and which Sanctions, if any, shall be assigned. The Hearing Board will provide its written determination to the parties simultaneously.

- Where there is a finding of a violation of University policy, the Hearing Board may assign one or more Sanctions. A complete list of Sanctions, which the Hearing Board may assign individually or in combination, can be found in Section 4 of the *Procedure for Resolving Concerns of Harassment* (Appendix 2). The University may also take other remedial measures, as appropriate, to protect the complainant.

#### Appeal

- Within ten calendar days of being informed of the University's dismissal of a Formal Complaint or a determination regarding responsibility by a Hearing Board, either a complainant or the respondent may request an appeal by filing a written Request for Appeal. The written Request for Appeal must identify an appropriate ground for review, as explained in Section 4 of the *Procedure for Resolving Concerns of Harassment* (Appendix 2). If a Request for Appeal is filed, the University's dismissal or the Hearing Board's determination will not become effective until the appeal process is complete.
- An Appeal Coordinator appointed by the AVP/TIX Coordinator (or designee) will administer the appeal process, which the University will aim to resolve within a reasonably prompt timeframe. Requests for Appeal are screened by the Appeal Coordinator. If the Request is not timely, or if the Request lacks information concerning the appropriate ground(s) for review, the Request for Appeal may be denied by the Appeal Coordinator. Requests for Appeal that are timely submitted and that include the required information concerning the ground(s) for review will be forwarded to the other party and to the Hearing Board, each of which will be permitted to respond in writing to the Request for Appeal.
- The Appeal Coordinator will then forward the Request for Appeal, and any responses from the other party and/or the Hearing Board, to one of the following individuals, who will decide the appeal:
  - For student respondents, the Vice President for Student Affairs (or designee);
  - For staff respondents, the Vice President for Human Resources (or designee); and
  - For faculty respondents, a three-member advisory panel that will provide a recommendation to the Provost (or designee).

- The Appeal decision will be made based on the Request for Appeal, any responses from the other party and/or Hearing Board, and the case file. The Vice President for Student Affairs, the Vice President for Human Resources, or Provost (or their respective designees) may remand the case for additional proceedings, where appropriate. The appeal decision will be communicated to the complainant and respondent in writing. This Appeal decision is final and not subject to further review.

*Procedures for Disciplinary Action – Timelines & Training*

- *Time to Completion.* The University will seek to complete the Alternative Resolution Process within 60 calendar days following the decision to proceed with Alternative Resolution. Under the Formal

Proceedings for Sexual Harassment, the University will seek to complete the Investigation within 60 calendar days of the filing of a Formal Complaint. The University will seek to complete the Appeal process within a reasonably prompt timeframe after receiving the Request for Appeal. However, the University may extend any of these timeframes for good cause and will notify all parties of such delays.

- *Training.* The officials involved in responding to reports of Sexual Harassment receive annual training on issues related to sexual assault, dating violence, domestic violence and stalking, and on how to conduct an investigation and hearing process that provides parties with notice and a meaningful opportunity to be heard.

## ALCOHOL AND OTHER DRUGS

The University has adopted and implemented a program to prevent the use of illicit drugs and the abuse of alcohol by students and employees.

With respect to students, the specific policies and standards pertaining to the use of illicit drugs and alcohol are presented in du Lac: A Guide to Student Life, which is available [here](#). The information presented in du Lac includes the standards of conduct that apply to the unlawful possession, use, sale or distribution of illicit drugs and alcohol by students; the sanctions the University will impose on students for violations of such standards; the legal sanctions that apply to the unlawful possession or distribution of illicit drugs and alcohol; the health risks associated with the use of illicit drugs and the abuse of alcohol; and the drug and alcohol counseling, treatment, or rehabilitation programs available to students.

With respect to employees, the specific policies and standards pertaining to the use of illicit drugs and alcohol are maintained by the Office of Human Resources and are available [here](#). These policies and standards include the standards of conduct that apply to the unlawful possession, use, sale or distribution of illicit drugs and alcohol by employees; the sanctions the University will impose on employees for violations of such standards; the legal sanctions that apply to the unlawful possession or distribution of illicit drugs and alcohol; the health risks associated with the use of illicit drugs and the abuse of alcohol; and the employee assistance program available for employees who want assistance with overcoming drug and/or alcohol abuse.

The [website](#) of the Center for Student Well-Being describes the drug and alcohol education, counseling, treatment, rehabilitation, and reentry programs available to students.

**Student  
Well-Being**  
MCDONALD CENTER

The Center for Student Well-Being provides prevention, intervention and educational programs and coordinates assessment activities that support the health of Notre Dame students.

All incoming students must complete AlcoholEdu, an online pre-matriculation course, prior to their arrival on campus. The Center also provides online assessments, group education and workshops upon request to support the health and well-being of all students throughout their time at the University.

Additional information is available for students from the Center for Student Well-Being (574-631-7970) and the University Counseling Center (574-631-7336). Employees may call LifeWorks at 1-888-267-8126 for information or assistance programs.

# RESOURCES

## Support Services for Crime Victims

A number of services are available to assist students, faculty and staff who may become the victim of a crime on campus, or who may be injured in a serious accident or other emergency situation on campus. In addition to prompt and professional emergency medical services provided by NDPD, NDFD, ambulance, hospital or Health Center staff, victims will be offered an opportunity to meet with Campus Ministry staff, and students may meet with professional staff from the Office of Student Affairs. University Counseling Center staff provide services for students 24 hours a day in emergency situations during the academic year.

In cases of criminal activity, information regarding victims' rights and the steps followed by the criminal justice system to address their case is available from NDPD staff. Assistance for crime victims is also available from the County Prosecutor's Office.

## Resources for Victims Needing Visa and Immigration Assistance

Assistance for those victims needing help with Visa and Immigration issues can be found at Notre Dame's Office of International Student and Scholar Affairs located in Room 105 of the Main Building. The office can be contacted by phone at (574) 631-3825 or by email at [issa@nd.edu](mailto:issa@nd.edu). The office is open Monday through Friday from 8:00 am to 5:00 pm.

Immigration Services are also available off-campus through Catholic Charities located at 1817 S. Miami St. in South Bend. They can be reached at (574) 234-3111 ext. 33 or by email at [ccoleman@ccfwsb.org](mailto:ccoleman@ccfwsb.org).

The Board of Immigration Appeals (U.S. Department of Homeland Security) recognizes Catholic Charities' Immigration Services as a program that provides accurate and affordable services to immigrants who seek to adjust their status, reunite with family members, obtain employment authorization, or file paperwork to make other status adjustments through USCIS (U.S. Citizenship and Immigration Services, formerly the U.S. Immigration and Naturalization Service, or INS). Citizenship classes and assistance with the process of naturalization are also provided.

Another off-campus resource for assistance with visa and immigration issues is Indiana Legal Services. Their local office is located in the Commerce Building at 401 E. Colfax Suite 116, South Bend, IN. Their phone number is (574) 234-8121 and their email address is [info@indianalegalservices.org](mailto:info@indianalegalservices.org). They are open from 8:00 am to 4:30 pm, Monday through Friday. Additional information regarding visas and immigration issues can be found on the U. S. State Department website [here](https://travel.state.gov).

## Indiana Sex and Violent Offender Registry

The Indiana Sheriffs' Sex and Violent Offender Registry provides detailed information about individuals who register as sex or violent offenders at Indiana Sheriffs' departments.

The purpose of the registry is to inform the general public about the identity, location, and appearance of sex and violent offenders who live, work, or study in Indiana.

The registry, as well as detailed information about Indiana's laws governing the Sex and Violent Offender Registry, is available [here](https://www.in.gov/shsro/).

Indiana's Sex and Violent Offender Directory is maintained by the Indiana Criminal Justice Institute (ICJI) and lists individuals who have been convicted of one or more of the sex and violent offenses requiring registration with local law enforcement authorities. The directory and information about ICJI is available [here](https://www.icji.org/).

## FIRE SAFETY POLICIES

### Reporting a Fire

If a fire occurs in a Notre Dame building, community members should immediately notify the Notre Dame Fire Department by calling (574) 631-5555 or 911 from a campus phone. If a member of the ND community finds evidence of a fire that has been extinguished, and the person is not sure whether NDFD has already responded, the community member should immediately notify NDFD, which will investigate and document the incident.

The University maintains a fire log that records, by the date the fire was reported, any fire that occurred in an on-campus student housing facility. The fire log includes the nature, date, time and general location of each fire, and can be viewed by visiting 252 Hammes Mowbray Hall during normal business hours.

### Health, Safety and Security Policies

1. Unless authorized by the Office of Student Affairs or Notre Dame Police Department, firearms or other weapons of any kind, fires, fireworks, explosives, explosive devices, and highly flammable materials are not allowed on University property.
2. Tampering with or misuse of fire alarm and safety devices, emergency communication equipment and related emergency system components is strictly prohibited.
3. Failure to respond appropriately to fire alarms and emergency notifications may result in disciplinary action.

4. Unauthorized presence in construction areas, campus underground tunnels or any restricted area is prohibited.

### Housing Policies

The University believes its residence hall facilities provide the foundation of community life. In order to maintain the proper safety and security of these communities, residents and guests must abide by certain housing policies and expectations. The following includes some of the University's housing policies. Students are expected to know and abide by these policies. Failure to do so may result in disciplinary action.

### Housing Safety: Conditions in Halls

All students share responsibility for the health and safety conditions of their residence halls. To keep halls safe, students must keep the following facts in mind:

1. Know the fire exit routes from the residence hall.
2. Burned-out light bulbs in corridors will be replaced by Maintenance technicians. Students should not replace any light bulb with brighter or colored bulbs. Oversized bulbs can overload the circuits and create a fire hazard.
3. Installation and/or the use of ceiling fans, air conditioners, water beds, and/or electronic or kerosene space heaters is not permitted.
4. Propane grills or any other type of liquid gas tanks are not to be stored in residence halls.

5. The following are prohibited as interior finish to any residence hall room:
  - a. The installation of plywood paneling, plywood sheets, decorative wood shingles, particleboard, hardboard, wallpaper, paperboards, and any other flame and smoke propagating materials.
  - b. Combustible fabrics, burlap, paper, cork, and other flame and smoke-propagating materials.
6. Combustible materials should not be placed against or left in contact with radiators, heating units, light bulbs or lighting fixtures, or any other electrical items.
7. Halogen torchiere lamps that have a tubular halogen bulb greater than 300 watts are prohibited. All halogen lamps must have a properly installed safety guard. Individuals owning these lamps must be able to prove the bulb wattage is 300 watts or less, replace all bulbs without wattage ratings and obtain and properly install the wire safety guard. Lamps should never be placed near curtains, bedding, posters or pictures. Clothing, towels, etc., should not be draped over lamps.
8. Carpeting is not permitted on walls or ceilings. Ceilings shall not be draped with any fabric, netting or paper products.
9. Partitions shall not be constructed in any residence hall suites or rooms.
10. Storage is not permitted in corridors or stairwells.
11. Bunk beds, as provided by the University, are always permissible. No more than two beds in any bunk structure are permitted. Extension beyond normal height of bunk structure is not permitted. A single bed spring raised on double end pieces is not permitted. Beds must be debunked and returned to floor level when residents move out of the hall.
12. Platforms or structures at any level constituting additional floor surfaces are prohibited.
13. Bed structures may not render windows unusable for emergency access or for air circulation. Bed structures may not block access to heating or ventilating units, plumbing, lighting fixtures and thermostats. Automatic sprinkler heads will be kept clear of all obstruction.
14. In multi-room suites, the corridor door in the center room shall be maintained for easy exit. The center room corridor door must be maintained so as to open at least 90 degrees. No bed structure or other furniture will block use of the connecting room doors so there is a clear passage or direct access to the center room for exiting. All corridors in every room (including suites) shall be maintained for easy exit.
15. Fire safety equipment may not be tampered or interfered with for any reason.

## Housing Safety: Appliances

To meet fire, health and safety requirements, the University discourages the proliferation of electrical appliances in student rooms. All large, domestic-type refrigerators are prohibited. Refrigerators in student rooms must not exceed 5.0 cubic feet in size and must be in good operating condition.

The use of the following electrical appliances is prohibited in all residence halls:

1. Air Conditioners
2. Broilers
3. Rotisseries
4. Ceiling Fans
5. Skillets
6. Rice Cookers
7. Dimmer Switches
8. Hot Plates
9. Microwaves
10. Tabletop Grills
11. Toaster Ovens
12. Bread makers
13. Other such high-wattage appliances

## Housing Safety: Decorations

For reasons of residence hall safety and security:

1. All decorations must be non-combustible or factory-treated with flame retardant. No paper of any type may be used to line the exit corridors and stairs.
2. Smoke detectors, heat detectors or sprinkler heads cannot be covered or removed at any time. Nothing can be attached to these devices.
3. No decorations can be put on the floors that may be a trip hazard in an emergency or otherwise.
4. Hose cabinets, fire extinguishers, cabinets, and fire alarm stations may not be covered with any decorative materials.
5. Residence hall room doors may be decorated (not knobs, just the door surface), but no part of an exit or emergency lighting may be covered.
6. Only artificial, flame retardant wreaths and trees may be used in residence halls. Natural evergreen branches or trees are not permitted inside residence halls.
7. Only low voltage, indoor rated incandescent or LED lighting is permitted and no outdoor displays or animated/mechanized decorations are allowed inside of a building.
8. Open flames, including all types of candles and incense, are prohibited.

9. Nothing may impede or hinder occupants' access to exits, including obstructing the view of an exit sign or exit doorway. This also means windows cannot be blocked with decorations, either inside or outside of the window.
10. No modification of the building electrical system is permitted. Extension cord use must be kept to a minimum, and electrical cords cannot run through doorways, windows, or fire doors.
11. Colored lights may not be installed in corridor lighting fixtures.

## Smoking

Smoking is prohibited in all residence facilities. Refer to the University's Smoking Policy for more information.

## Procedures for Evacuating Campus Buildings During Fires

Anyone in a building which is involved in a fire should:

1. Call the Notre Dame Fire Department immediately by pulling the nearest pull station in the building. Pull stations are usually located near or at exits. You can also report a fire by calling 911 from a land line or (574) 631-5555 from your cell phone.
2. Upon hearing the fire alarm, immediately evacuate the building using the nearest available exit. Do not attempt to fight a fire unless you have been trained to do so.
3. Use stairwells and stay off elevators.
4. Get out of the building if possible and stay out until firefighters signal that it is safe to return.
5. Stay back a reasonable distance from the building to avoid falling objects from upper floors.

**REMEMBER: Call 911 for all fire, medical or police emergencies.**

## Procedures for Those Trapped During Fires

Anyone trapped by smoke or fire in corridors and who cannot leave by normal exits should:

1. Stay in or return to his or her room, office, or some other smoke and fire-free area. Shut the door and remain there until rescued.
2. If smoke enters the room from under or around the door, place sheets, blankets or clothing around the door to seal it as well as possible.
3. Open windows from the top in order to evacuate any smoke that may enter.
4. Try to stay calm and signal firefighters of your location. They will work their way to you as fast as possible.

**REMEMBER: Call 911 for all fire, medical or police emergencies.**

## Fire Safety Education and Training Program

The University provides numerous fire safety education and training opportunities for students and employees.

1. The Notre Dame Fire Department's [website](#) contains fire safety education and training opportunities for students and employees.
2. Fire Safety and Fire Extinguisher Use Training
  - a. Selected employees receive fire safety training and are trained in the use of extinguishers
  - b. All residence hall staff are trained in fire safety and are provided hands-on fire extinguisher training
3. Fire Safety Events
  - a. The Notre Dame Fire Department holds a fire safety event with contests and activities geared to increase fire safety knowledge.
  - b. The Notre Dame Fire Department hosts fire safety awareness booths during several campus wide events throughout the year.

## Future Plans for Fire Safety Improvements in Student Housing

## **POLICY ON DISCRIMINATORY HARASSMENT, SEXUAL HARASSMENT, AND OTHER SEX-BASED MISCONDUCT**

Responsible Executive:  
Provost, Vice President of  
Human Resources, Vice  
President for Student Affairs  
Responsible Office:  
Office of Institutional Equity  
Issued: November 19, 2013  
Revised: August 13, 2020

### **1. INTRODUCTION**

The University of Notre Dame strives to maintain a community characterized by a respect for others. At a minimum, this means a community that is free from harassment. Harassment includes Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct, as defined below. At Notre Dame, our goal is to promote respectful behavior and interactions. Our culture of respect means that no type of harassment is tolerated. Upon receiving a report of alleged violations of this Policy, the University will take prompt action, including a review of the matter and, where appropriate, an investigation and other appropriate action to stop the alleged misconduct. The University is also dedicated to responding quickly and thoroughly to all reported or alleged violations of this Policy, and to enforcing the Non-Retaliation Policy to protect those who report and/or are involved in an investigation of conduct prohibited by this Policy.

### **2. POLICY STATEMENT**

The University of Notre Dame does not tolerate Discriminatory Harassment, Sexual Harassment, or Other Sex-Based Misconduct (as defined in this Policy) by or against any member of its community, nor will it tolerate sexual or discriminatory harassing conduct that affects job or educational benefits or that interferes with an individual's work or academic performance, or that creates an intimidating, hostile, or offensive work or educational environment. All such conduct is expressly prohibited, and individuals who engage in conduct prohibited by this Policy may be subject to disciplinary action, up to and including termination or dismissal.

### **3. SCOPE**

This Policy applies to all faculty, staff, and students. This Policy applies to any allegation of Discriminatory Harassment, Sexual Harassment, or Other Sex-Based Misconduct that is made in the context of an educational program or activity or that otherwise affects the University's work or educational environment. However, the University's investigation may be limited where the alleged conduct occurred outside the context of the University's programs or activities, or work or educational environment.

Nothing in this Policy restricts the University's right to address and take appropriate action with respect to conduct that, while not meeting the definitions of conduct prohibited by this Policy, is nevertheless inconsistent with the University's value of respect for others.

Academic freedom and the associated protections of tenure are fundamental to the scholarly enterprise. Because the University remains committed to the principles of academic freedom as articulated in Article IV/Section 2/Academic Freedom and Associated Responsibilities of

Faculty, protections of academic freedom will be considered in any applications of this Policy. Vigorous discussion and debate are fundamental to the University and this policy is not intended to stifle teaching or research methods or infringe upon academic freedom.

#### 4. RESPONSIBLE PARTY

The Assistant Vice President of the Office of Institutional Equity (or designee) is responsible for implementing and monitoring compliance with this Policy on behalf of the University. This includes coordination of training, education, communications and administration of the reporting and response procedures concerning suspected or alleged violations of this Policy.

Any inquiries regarding conduct prohibited by this Policy may be directed to the Assistant Vice President of the Office of Institutional Equity / Title IX Coordinator:

Assistant Vice President, Office of Institutional Equity & Title IX Coordinator  
100 Grace Hall  
University of Notre Dame  
Notre Dame, IN 46556  
574-631-0444  
equity@nd.edu

Some types of harassment and related misconduct may be criminal in nature and can also be reported to the Notre Dame Police Department, 911 (emergencies) or 574-631-5555 (non-emergencies).

#### 5. DEFINITIONS

<b>Complainant</b>	An individual who is alleged to have been directly affected by a violation of this Policy.
<b>Consent</b>	Informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; sexual contact without informed, freely given consent is sexual misconduct. There is no consent when the individual in question is under the legal age of consent. The legal age of consent in Indiana is 16.  Intoxication is not an excuse for failure to obtain consent.
<b>Formal Complaint</b>	A document filed by a complainant or signed by the Title IX

	Coordinator alleging Sexual Harassment against a respondent and requesting that the University investigate the allegation.
<b>Incapacitation</b>	A physical or mental state such that a person lacks the ability to make a knowing and deliberate choice to engage in the sexual interaction. For the purposes of this Policy, a person who is asleep or unconscious is incapacitated, without exception. A person may also become incapacitated due to other factors, which may include the use of alcohol and/or drugs to such a degree that the person no longer has the ability to make a knowing or deliberate choice to engage in the sexual interaction. Engaging in sexual activity with a person whom you know, or should reasonably know, to be incapacitated constitutes a violation. If there is a question about whether the complainant was incapacitated, the relevant standard is whether the respondent knew, or a sober, reasonable person in the respondent's position should have known, that the complainant was incapacitated and therefore could not consent to the sexual activity.
<b>Respondent</b>	An individual who is alleged to have violated this Policy.

## 6. DISCRIMINATORY HARASSMENT

**Discriminatory Harassment** is (1) unwelcome conduct (2) that is based on an individual's or group's race, color, national origin, ethnicity, religion, genetic information, age, disability, or veteran status and (3) that interferes with performance, limits participation in University activities, or creates an intimidating, hostile, or offensive University environment when viewed from the perspective of both the individual and a reasonable person in the same situation.

Discriminatory Harassment may include the following types of misconduct, when such misconduct concerns one or more of the characteristics listed above:

- Verbal abuse, slurs, derogatory comments or insults about, directed at or made in the presence of an individual or group.
- Display or circulation of written materials or pictures that are offensive or degrading.
- Damage to, trespass on or unauthorized use of property, such as spraying or scratching of a motor vehicle, damage or theft of property.
- Physical contact, or threatening language or behavior.
- Other conduct that interferes with an individual's performance; limits participation in University activities; or otherwise creates an intimidating, hostile, or offensive University environment.

## 7. SEXUAL HARASSMENT

**Sexual Harassment** as defined and prohibited in this Policy includes conduct on the basis of sex that satisfies one or more of the following:

- An employee or agent of the University conditioning the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct.
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's education program or activity.

- Sexual Assault, which is defined as any sexual intercourse by any person upon another without Consent. It includes oral, anal and vaginal intercourse or penetration, to any degree, with any part of the body or other object. It is also referred to as “non-consensual sexual intercourse.”
- Fondling, which is defined as touching of the private body parts (*i.e.*, genitals, buttocks, and/or breasts) of another person for the purpose of sexual gratification, without Consent.
- Incest, which is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- Dating Violence, which is defined as physical violence or the threat of physical violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with an individual, and the existence of such a relationship shall be determined based on factors such as the length and type of relationship, and frequency of interaction between the persons involved.
- Domestic Violence, which is defined as physical violence or the threat of physical violence committed by a current or former spouse or intimate partner of an individual, by a person with whom the individual shares a child in common, by a person who is cohabiting with or has cohabitated with the individual as a spouse or intimate partner, by a person similarly situated to a spouse of the individual under applicable domestic or family violence laws.
- Stalking, which is knowingly or intentionally engaging in a course of conduct involving repeated or continuing harassment of another person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

---

## 8. OTHER SEX-BASED MISCONDUCT

---

**Other Sex-Based Misconduct** may include, but is not limited to, any of the offenses listed below.

- Any sexual touching with any part of the body or other object, however slight, by any person upon another, without Consent.
- Unwelcome conduct that is either based on an individual’s or group’s sex, sexual orientation, or gender identity, or that is sexual in nature, and that interferes with performance, limits participation in University activities, or creates an intimidating, hostile, or offensive University environment when viewed from the perspective of both the individual and a reasonable person in the same situation.
- Exposing one’s own or another person’s private parts without Consent.
- Recording video or audio, photographing, disseminating, or transmitting intimate or sexual utterances, sounds or images without Consent of all parties involved.
- Allowing others to view sexual acts (whether in person, through electronic means, or via a video camera or other recording device) without the Consent of all parties involved.
- Engaging in any form of voyeurism.
- Sex-based cyber-harassment.
- Prostitution or the solicitation of a prostitute.

To the extent that alleged conduct is prohibited as Sexual Harassment as defined above, such conduct is excluded from the prohibition on Other Sex-Based Misconduct.

## **9. REPORTING AND RESPONSE PROCEDURES FOR VIOLATIONS OF THIS POLICY**

This Policy seeks to encourage all members of the Notre Dame community to report and address incidents of Discriminatory Harassment, Sexual Harassment, and Other Sexual Misconduct. The Procedures for Resolving Allegations of Discriminatory Harassment, Sexual Harassment, and Other Sexual Misconduct as issued and updated by the Office of Institutional Equity, describe the necessary steps for resolving concerns of violations of this Policy.

All University community members are expected to provide truthful information. If an investigation reveals that an individual has provided deliberately false information and/or made an accusation in bad faith or with a view to personal gain or to intentionally harm another in connection with an incident, disciplinary action may be taken. This provision does not apply to information provided in good faith, even if the facts alleged are not later substantiated.

UNIVERSITY OF  
NOTRE DAME

### Procedures for Resolving Concerns of Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct

## 1. INTRODUCTION

The University of Notre Dame strives to maintain a community characterized by a respect for others. At a minimum, this means a community that is free from harassment. The University's Policy on Discriminatory Harassment, Sexual Harassment, and Other Sex-Based Misconduct ("the Policy") outlines various forms of prohibited conduct. The University will process potential violations of the Policy by University students and employees (including faculty and staff members) in accordance with the reporting and response procedures set forth below.

Section II outlines generally applicable procedures that pertain to Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct. Section III describes the procedures applicable for Alternative Resolution, which, under certain circumstances, may be available to address allegations of Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct. The procedures applicable to claims of conduct constituting Sexual Harassment under the Policy that could result in Sanctions are outlined below in Section IV. The procedures applicable to claims of Discriminatory Harassment and Other Sex-Based Misconduct under the Policy that could result in Sanctions for student Respondents are outlined below in Section V.A. The procedures applicable to claims of Discriminatory Harassment and Other Sex-Based Misconduct under the Policy that could result in Sanctions for staff and faculty Respondents are outlined below in Section V.B.

Any changes to this procedures document will take immediate effect and will be applicable to all pending cases.

## 2. PROCEDURES THAT APPLY GENERALLY

### A. How to Report Violations of the Policy

#### 1. Reporting to the University

The University encourages its students, faculty, and staff to report all violations of the Policy. The University is committed to eliminating misconduct, and to do so, the University must be informed of any conduct that violates the Policy. Any person may report conduct prohibited by the Policy, in person, by mail, by telephone, by email or by online form to the Office of Institutional Equity using the contact information listed below or by any other means that results in the Office of Institutional Equity receiving the person's report. A person may make a report at any time, including during non-business hours.

You may report to the Office of Institutional Equity by calling 574-631-0444, emailing [equity@nd.edu](mailto:equity@nd.edu) or using the online incident reporting form at [speakup.nd.edu](http://speakup.nd.edu).

The University has designated the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator, to handle all inquiries regarding its efforts to comply with and carry out its responsibilities under Title IX and other laws pertaining to equal opportunity and access. This includes the handling of alleged violations of the Policy by University students, faculty, or staff. The Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator may be contacted as follows:

Erin N. Oliver  
Assistant Vice President, Office of Institutional Equity & Title IX Coordinator  
100 Grace Hall  
University of Notre Dame  
Notre Dame, IN 46556  
574-631-0444  
equity@nd.edu

## 2. Reporting to Law Enforcement

In addition to reporting violations to the University, an individual has the option to pursue a criminal complaint with an appropriate law enforcement agency. In such cases, Complainants may (a) notify proper law enforcement authorities, including on-campus and local police (as described below); (b) be assisted by campus authorities in notifying law enforcement authorities if the Complainant so chooses; or (c) decline to notify law enforcement authorities. The University encourages members of the University community to report all violations of the Policy. If the incident occurred on Notre Dame property, the Notre Dame Police Department, a duly authorized police agency in the state of Indiana, is an appropriate agency with which to file a report. On-campus incidents may also be reported to the St. Joseph County Police Department. In the South Bend area, the local law enforcement agencies include the South Bend, St. Joseph County, and Mishawaka police departments. The Notre Dame Police Department (911 from a campus phone, or 574-631-5555 from a cell phone) can assist with contacting the appropriate agency. Reported violations of the Policy allegedly committed by a student, faculty, or staff member that are reported to the Notre Dame Police Department will also be referred to the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator, who will follow-up and investigate as appropriate. Similarly, where the University receives a report from another police agency of an alleged violation of the Policy, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) and the Notre Dame Police Department will follow-up and investigate as appropriate. The University's process and procedures are distinct from the criminal investigation as a result of the University's obligation under Title IX to ensure that it is providing an environment free from discrimination for all members of the University community.

If a Complainant wishes to pursue a criminal complaint, the Complainant may choose to temporarily defer the University's administrative investigation by making a formal written request to the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee), which may temporarily delay the investigation and the University's ability to respond. However, the University may choose not to defer its investigation and procedures, where it determines a deferral would be inappropriate, taking into consideration the University's obligation to maintain an environment free from Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct. At any time, the Complainant

may choose to rescind the deferral by making a formal written request to the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee), electing to resume the University's investigation. The University will maintain documentation of the date of deferral. Information obtained through the criminal investigation may be considered in the University's investigation. Where the University is aware that an individual is pursuing a criminal complaint, a member of the Notre Dame Police Department will request that the St. Joseph County Prosecutor's Office keep the University informed and immediately advise of its decision whether to prosecute the complaint. The University will maintain documentation of the date of the request to the Prosecutor's Office. In cases where the Prosecutor's Office declines prosecution, a member of the Notre Dame Police Department will work with the Prosecutor's Office to notify the Complainant of the Prosecutor's decision.

In addition to having the option of pursuing a criminal complaint, a Complaint may also have the option of exploring whether he or she might be entitled to an order of protection, restraining order, or other similar orders issued by a criminal or civil court. For more information about such orders, including the University's responsibilities concerning such orders, members of the University community should contact Notre Dame Police Department or the Family Justice Center of St. Joseph County.

## **B. Group Accountability**

In addition to investigating and addressing behavior of individuals, the University reserves the right to investigate and hold accountable the collective behavior of groups of individuals, including but not limited to student clubs, organizations, teams, and residential communities.

## **C. Confidential Resources and Information About Privacy**

### **1. Confidentiality**

Notre Dame recognizes that confidentiality is important. Breaches of confidentiality compromise the University's ability to investigate and resolve claims of Policy violations. Notre Dame will attempt to protect the confidentiality of the process to the extent reasonably possible. Investigators, advisors, mediators, members of hearing panels, and any others participating in the process on behalf of the University shall keep the information obtained through the process confidential. All other participants in the process (including the Complainant, Respondent, Advisors, and witnesses) are encouraged to respect the confidentiality of the proceedings and circumstances giving rise to the dispute and to discuss the matter only with those persons who have a genuine need to know.

While Notre Dame is committed to respecting the confidentiality of all parties involved in the process, it cannot guarantee complete confidentiality. Examples of situations in which confidentiality cannot be maintained include:

- When the University is required by law to disclose information (such as in response to a subpoena or court order);
- When disclosure of information is determined by the Office of Institutional Equity and/or the department necessary for conducting an effective investigation of the claim; and
- When confidentiality concerns are outweighed by the University's interest in protecting

the safety or rights of others.

## 2. Confidential Resources

If a student, staff, or faculty member wishes the details of an incident to be kept confidential, the student, staff, or faculty member can speak with:

- Counselors, including at the University Counseling Center and Wellness Center;
- Health providers, such as University Health Services and local hospitals;
- Off-campus rape crisis resources, such as S-O-S, the rape crisis center for St. Joseph County; and
- Vowed religious (priests, deacons, and religious sisters and brothers) working within Campus Ministry and who are operating in that role.

These individuals will honor confidentiality unless there is an imminent danger to the person involved or to others. In addition, disclosure during the Sacrament of Reconciliation (confession) will not be revealed by the priest for any reason, which is a sacred obligation protected by law.

## 3. Parameters of Privacy and Confidentiality for Investigations; Mandatory Reporting Obligation

In all instances and to the extent possible, the University will protect the privacy of all parties to a report of Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct. That said, with the exception of those Confidential Resources listed above, all University employees, including faculty and staff, are considered mandatory reporters. Employees who receive information about any suspected or potential Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct, whether from the student, faculty, or staff involved or from a third party, must report the information to the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee).

Employees may provide support and assistance to a Complainant, witness, or Respondent; but, mandatory reporters cannot promise confidentiality or withhold information about Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct.

## 4. Parameters of Privacy and Confidentiality Related to Crime Alerts Issued by the University

In an effort to provide timely notice to the Notre Dame community, and in the event of a serious crime that occurs on campus and poses a serious, ongoing threat to members of the Notre Dame community, a mass email Crime Alert will be sent to all students, faculty, and staff on campus and is posted on the Notre Dame Police Department website, and may also be posted in residence halls and various other buildings on campus. Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of Complainants. Such alerts and updates shall not include identifying information about the Complainant in any publicly-available recordkeeping to the extent permitted by law.

## **D. Availability of Counseling, Medical and Pastoral Resources**

### **1. Counseling Resources**

#### *a. Resources Available to Students, Faculty, and Staff*

The Family Justice Center of St. Joseph County ([fjcsjc.org](http://fjcsjc.org)) is a collaboration of civil, legal, medical, and social services which supports individuals affected by domestic violence. The Family Justice Center can be reached by calling 574-234-6900 and its office is located at 533 North Niles Avenue in South Bend. S-O-S of the Family Justice Center ([fjcsjc.org/sos](http://fjcsjc.org/sos)) is staffed by trained professionals and volunteer advocates who are available 24 hours a day. The staff can provide confidential counseling and recovery services, as well as support and information about communication with the police, family and friends. S-O-S Volunteer Advocates provide emotional support and information on the phone and in person at area hospital Emergency Departments around the clock. Specially trained professionals offer confidential counseling, group therapy, information, and referrals. The S-O-S Advocate acts as a liaison between the individual and the legal process, and can accompany the individual to court, if desired. The 24-hour telephone number for the S-O-S is 574-289-4357.

The Rape, Abuse and Incest National Network (RAINN) ([rainn.org](http://rainn.org)) is an anti-sexual violence organization that partners with more than 1,100 local rape crisis centers across the country. Among its programs, RAINN has two resources available globally: (1) the National Sexual Assault Online Hotline (<https://ohl.rainn.org/online/>), a secure web-based hotline that provides live and confidential help through an interface similar to instant messaging; and (2) the National Sexual Assault Hotline (800-656-HOPE), which provides free, confidential services 24 hours a day, seven days a week.

#### *b. Additional Resources Available to Faculty and Staff*

LifeWorks, the Employee Assistance Program for Notre Dame, provides referrals to professionals who provide confidential counseling and support on a wide range of issues. The service is available 24 hours a day, seven days a week, and can be reached at 888-267-8126 or online at <https://www3.nd.edu/~hr/lifeworks/eap.shtml>.

#### *c. Additional Resources Available to Students*

The University Counseling Center, which is staffed by trained professionals and counselors, offers specialized support and assistance. Current students may seek counseling at any time, even years after the incident. The confidential services of the UCC are available to any student who may need support or assistance. The Counseling Center can be reached at 574-631- 7336 (24 hours). In addition, a Walk-In Crisis Service is available to students in Saint Liam Hall, Monday-Friday, 9 a.m. – 5 p.m. For further information, go to [ucc.nd.edu](http://ucc.nd.edu).

### **2. Medical Resources**

It is especially important for individuals who have been sexually assaulted or subjected to other Sexual Harassment, Discriminatory Harassment, or Other Sex-Based Misconduct that involves physical contact to seek immediate and appropriate medical treatment. Such treatment is also

important to preserve evidence in the event the individual later files criminal charges, or seeks to obtain an order of protection. The two hospitals in the South Bend area are St. Joseph Regional Medical Center ([sjmed.com](http://sjmed.com)) and Memorial Hospital ([qualityoflife.org](http://qualityoflife.org)). While both hospitals offer emergency care and evidence collection, St. Joseph has a specially trained sexual assault team available 24 hours a day, seven days a week. Under Indiana law, the tests and procedures at the hospitals are free of charge if treatment is sought within 120 hours of the assault. The evidence gathered in this examination will be maintained by the hospital and will not be provided to the police unless the individual reports the assault to the police. Any decision about whether or not to talk to the police is up to the individual.

Faculty and staff may visit the Notre Dame Wellness Center (574-634-9355), which is equipped to provide confidential and professional medical care to faculty and staff. Students may visit University Health Services, which is open 24 hours a day during the academic year and is equipped to provide confidential and professional medical care to students. University Health Services can be reached in Saint Liam Hall, 574-631-7567. While the Notre Dame Wellness Center and University Health Services staff are unable to perform procedures related to the collection of evidence for the purposes of pursuing criminal prosecution, they can provide assistance and support when an individual requests or requires transportation to the hospital.

### 3. Pastoral Resources

Vowed religious (priests, deacons, and religious sisters and brothers) working within Campus Ministry and who are operating in that role are confidential resources. In addition, an individual's disclosure during the sacrament of confession will not be revealed by the priest for any reason, which is a sacred obligation protected by law. Campus Ministry can be reached at 574-631-7800 or at [campusministry.nd.edu](http://campusministry.nd.edu).

#### **E. Direct Communication With the Alleged Offender in Cases That Do Not Involve Sexual Harassment**

In cases involving Discriminatory Harassment or Other Sex-Based Misconduct, the impacted party may speak directly with the alleged offending person to address his or her concerns and obtain an appropriate resolution, if he or she feels comfortable doing so. Sometimes, an effective manner of addressing offensive behavior is to politely and calmly advise the person, verbally or in writing, that his or her behavior or language is offensive and unwelcome, and to request that the person stop uttering such words or engaging in such behavior.

While this approach may be effective to eliminate the offensive behavior, individuals who choose to address the alleged offender directly must also promptly report the offensive behavior to the Office of Institutional Equity, which will direct the report as appropriate. Such reporting will enable the University to decide whether there is an impact to the community (such as egregious conduct or a pattern of inappropriate behavior) that warrants University to take steps to maintain a respectful environment free from harassment. An individual who directly addresses his or her concerns with the alleged offending person must also notify the Office of Institutional Equity if they did not obtain a satisfactory outcome through their discussions.

#### **F. Supportive Measures**

The following information is provided to encourage reporting to the University of conduct prohibited by the Policy. Following receipt of a report, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will promptly and confidentially contact the Complainant to discuss the supportive measures available and will consider the Complainant's wishes with regard to those supportive measures.

### 1. Interim Measures

The University offers a wide range of resources for Complainants and Respondents, to provide support and guidance throughout the initiation, investigation, and resolution of a report under the Policy. Upon receipt of a report, the University may take interim measures to address concerns regarding safety and well-being and to facilitate the parties' continued access to University programs and activities. These measures may be remedial and/or protective (designed to address safety and well-being and continued access to employment and educational opportunities). Interim measures, which may be temporary or permanent, may include no-contact directives, changes in class or work schedules, academic modifications and support, changes in University-owned living arrangements, or any other reasonably available measures that the University deems appropriate. Interim measures are available under all resolution processes and may be implemented prior to the initiation of the process. Interim measures will be administered by the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee). The University will maintain the confidentiality of any interim measures provided, to the extent practicable, and will promptly address any violation of interim measures.

The University encourages reporting of violations of interim measures as soon as possible. For more information, see "Reporting and Response Procedures for Reports of Retaliation, Violations of No Contact Orders, and/or Violations of Terms of Interim Measures" below.

### 2. No Contact Orders

When the name of a Respondent has been identified, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will, where appropriate, issue No Contact Orders to both the Respondent and the Complainant.

Unless otherwise stated in writing, a Complainant or Respondent who is issued a No Contact Order by the University may not have contact, either directly, indirectly, or through third parties, with specific individuals for a specified period of time. "Third parties" include friends, family, attorneys, and other individuals acting on behalf of a Complainant or Respondent who has been issued a No Contact Order. "Contact" includes, but is not limited to, email, social media, instant messaging, text messaging, phone calls, voicemail, or direct visits. Unintentional contact and contact as outlined below in Section IV is not considered a violation of the No Contact Order.

The University encourages reporting of violations of No Contact Orders as soon as possible. For more information, see "Reporting and Response Procedures for Reports of Retaliation, Violations of No Contact Orders, and/or Violations of Terms of Interim Measures" below.

No Contact Orders are separate and distinct from court-administered actions such as protective orders and restraining orders. Questions about court-administered actions should be directed to local law enforcement.

### 3. Assignment of a Resource Coordinator

After a report of Sexual Harassment is received by the Assistant Vice President of the Office of Institutional Equity (or designee), a Complainant will be offered a Resource Coordinator (“RC”). If a report identifies the name of a Respondent, a RC will also be offered to the Respondent. RCs are trained Notre Dame employees who will serve as resource persons to the Complainant and Respondent to identify, explain, and navigate University processes and available support services. This can include referrals to counseling, educational support, pastoral care, and medical treatment, and information about University and legal processes.

## **G. Retaliation**

The University strongly encourages the reporting of any incident of Sexual Harassment, Discriminatory Harassment, or Other Sex-Based Misconduct and takes such reports very seriously. Any actual or threatened retaliation will be addressed by the University pursuant to its Non-Retaliation Policy. Students, faculty, and staff are encouraged to report concerns about retaliation to the Office of Institutional Equity as soon as possible.

### 1. Addressing Student Concerns About Other Violations

At times, students are hesitant to report misconduct to University officials because they are concerned that they themselves, or witnesses to the misconduct, may be found responsible for other policy violations (e.g. parietals or alcohol violations). These behaviors are not condoned by the University, but the importance of addressing Sexual Harassment, Discriminatory Harassment, and Other Sex-Based Misconduct outweighs the University’s interest in addressing lesser violations. Accordingly, in these cases, the University will not refer reporting and participating students to the University Conduct Process to address lesser policy violations (e.g. parietals or alcohol violations).

Students who feel unsafe in a residence hall after parietals should leave the hall, regardless of the time, without concern for a parietals violation. A student will not be found responsible for a violation of the University’s undergraduate residence hall visitation (parietals) policy if the violation is related to an incident of Sexual Harassment, Discriminatory Harassment, or Other Sex-Based Misconduct.

## **H. Administrative Leave, Emergency Removal, and Information About Student Respondent’s Enrollment, Transcript, and Degree**

In cases involving a student or staff Respondent, the University may, after undertaking an individualized safety and risk analysis and determining that there is an immediate threat to the physical health or safety of any individual arising from the allegations of sexual harassment justifies removal, remove a Respondent on an emergency basis from participating in some or all University activities. After any such removal, the Respondent will have an opportunity to challenge the decision. The University may place a non-student staff Respondent on administrative leave, pending any investigation under this Policy.

In cases involving a faculty Respondent, the faculty Respondent member may be removed consistent with the procedures under the Academic Articles.

Generally, in cases involving a student Respondent, the student Respondent may not withdraw or take a leave of absence from the University after the University receives a report of an alleged violation of the Policy. The University reserves the right to proceed with an appropriate resolution process regardless of a Respondent's request for a withdrawal or for a leave of absence from the University. At any time, the University may place an administrative hold on the Respondent's University academic transcript, make a transcript notification, or withhold the award of the Respondent's degree. In cases where the University permits a Respondent to withdraw from the University after receiving a report of an alleged violation of University policy (including while the resolution process is pending), this withdrawal may be considered permanent and the Respondent's academic transcript may be held or noted "withdrawal pending investigation." Even if a Respondent withdraws from the University, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) may decide to proceed with a resolution process. At the conclusion of a resolution process, the Respondent's transcript will be updated with the appropriate notation or removal of notation as prescribed by the University's Conduct Records Reporting Policy.

### **I. Requests for Anonymity and/or No University Resolution Process**

In the event that a Complainant requests anonymity or requests that a matter not be referred to the Sexual Harassment Procedures or Procedures for Discriminatory Harassment and Other Sex-Based Misconduct, or to Alternative Resolution, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will make a determination about whether the request can be granted. The decision will be based on a review of factors, including, but not limited to, patterns of behavior involving the Respondent, a group of individuals, and/or a specific location; threats of future sexual or other violence by the Respondent; the use of a weapon; whether the Complainant is a minor; and/or other risks to the University community.

If a Complainant request that a matter not be referred to the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct, or to Alternative Resolution, and the University agrees to such request, the Complainant will be notified in writing that he/she has six months from the date of the decision of the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) to request that the matter be referred back to a formal process.

If the University is able to agree to a Complainant's request for anonymity, the University's ability to meaningfully investigate the incident or impose Sanctions on the alleged Respondent(s) may be limited.

In some cases, based on this review, the University may not be able to agree to the Complainant's request in order to adhere to its obligation to provide a safe, non-discriminatory environment. If the University determines that it is unable to agree to a Complainant's request that a matter not be referred to a process outlined in these procedures, the Complainant will be notified in writing prior to the commencement of any formal process.

If the University is unable to agree to a Complainant's request for anonymity, the Complainant will be notified in writing prior to the University initiating a resolution process and the University will, to the extent possible, share information only with people responsible for handling the University's response.

## **J. Initial Assessment**

After receiving a report of Sexual Harassment, Discriminatory Harassment, or Other Sex-Based Misconduct, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will gather information about the reported conduct and respond to any immediate health or safety concerns.

The Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee), and where appropriate a Student Affairs administrator, will also assess the nature and circumstances of the report to determine whether the reported conduct is within the scope of the Policy, whether the reported conduct raises a potential Policy violation, and the appropriate manner of resolution under these procedures. This will include, when possible, a discussion of the Complainant's expressed preference for manner of resolution and any barriers to proceeding. It will also take into consideration the University's obligation to maintain an environment free from harassment.

At the conclusion of the initial assessment:

- If the report alleges conduct that falls within the Policy, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will inform the Complainant of what processes are available and the applicable procedures; or
- If the report does not fall within the Policy, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will refer the report to an appropriate entity to address the concerns or close the matter.

Depending on the content alleged in the report, the matter may be handled through the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct. In either situation, it is possible that Alternative Resolution, described in Section III below, may also be available.

### **1. Consolidation of Reports**

The Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) has the discretion to consolidate or separate multiple reports of Discriminatory Harassment, Other Sex-Based Misconduct, or Formal Complaints of Sexual Harassment into a single Investigation or multiple Investigations, where the allegations of a Policy violation arise out of the same facts or circumstances. Consolidation might involve multiple Complainants and a single Respondent, multiple Respondents, and/or conduct that is temporally or logically connected. Consolidation may occur under the Sexual Harassment Procedures and the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

Where the University receives a report of alleged Sexual Harassment, along with additional report(s) of alleged Discriminatory Harassment or Other Sex-Based Misconduct, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) also has the discretion to determine whether or not to investigate and resolve the report(s) of alleged Discriminatory Harassment or Other Sex-Based Misconduct in consolidation with the alleged Sexual Harassment pursuant to the Sexual Harassment Procedures.

## 2. Moving to or from Different Procedures

If, during the course of a proceeding under the Sexual Harassment Procedures, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) determines that the conduct alleged does not constitute Sexual Harassment under the Policy or if the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) otherwise determines that the Sexual Harassment Procedures are inapplicable, the matter may be referred to the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

Similarly, if, during the course of a proceeding under the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) determines that the conduct alleged does constitute Sexual Harassment or otherwise determines that the Sexual Harassment Procedures are applicable, the matter may be referred to the Sexual Harassment Procedures.

Finally, if the requirements for participating in Alternative Resolution are otherwise met, including both parties' agreement to participate in Alternative Resolution, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) may refer the matter from either the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct to Alternative Resolution. Likewise, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) may refer a matter from Alternative Resolution to either the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct, if applicable.

## **3. ALTERNATIVE RESOLUTION**

Alternative Resolution is a voluntary, remedies-based, and educational process that is designed to allow a Respondent to accept responsibility for repairing harm and acknowledge harm to the Complainant or to the University community. The goal of Alternative Resolution is to address allegations of harmful and/or prohibited conduct, identify ways that individuals and/or the community have been impacted, and develop a resolution to address the impact and prevent future behavior.

### **A. Circumstances When Alternative Resolution May Be Appropriate**

Alternative Resolution may be available under either the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct. Alternative Resolution, however, may not be appropriate for all forms of alleged Policy violations, and the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) retains the discretion to determine which cases are or are not appropriate for Alternative Resolution.

Alternative Resolution is available only after the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) reviews the matter to confirm that it would be appropriate for Alternative Resolution.

Alternative Resolution may be used only with the voluntary, informed consent of both parties. Before obtaining such consent, the University will notify the parties of the allegations at issue and the requirements of Alternative Resolution, including any limitations on pursuing a resolution under either the Formal Proceedings of the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

At any time prior to agreeing to a resolution in Alternative Resolution, either a Complainant or a Respondent may request to end Alternative Resolution and proceed under either the Formal Proceedings of the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct, as applicable.

Alternative Resolution may also only be conducted under the supervision of University-sanctioned, trained professionals, and following a determination by the University that the matter at hand is appropriate for a restorative approach.

Alternative Resolution is not available to resolve allegations that an employee engaged in Sexual Harassment against a student.

In cases involving allegations of Sexual Harassment, Alternative Resolution is not available without the filing of a Formal Complaint.

## **B. Forms of Alternative Resolution**

Alternative Resolution may include, but is not limited to, one or more of the following approaches:

- **Mediation:** A facilitated conversation between two or more individuals, most often the Complainant, the Respondent, and/or other community members. Depending on stated interests, the participants may sometimes work towards the development of a shared agreement, although working towards an agreement is not always the intended outcome.
- **Indirect Mediation:** An indirect conversation individually with the Complainant, the Respondent, and/or other participants to discuss experiences and perspectives and explore interests while working towards meeting expressed needs. This process does not require direct interaction between the parties or the parties and other participants, but rather, independently, with a facilitator. In some cases, such as alleged sexual assaults, mediation will not be appropriate, even on a voluntary basis.
- **Restorative Conference:** A facilitated interaction where the individuals who have been impacted can come together with an individual(s) who assumes responsibility for addressing the impact (to the extent possible). A conference may include multiple members of the community to explore individual and community impact, harm, obligations, and opportunity for repairing them.
- **Accountability Conference:** A facilitated interaction between the Respondent and University faculty and/or staff designed to provide accountability, structured support, and the development of a learning plan. The focus is to balance support and accountability for an individual who has acknowledged their obligation to address impact and willingness to engage in an educational process.

Depending on the form of Alternative Resolution, it may be possible for a Complainant to maintain anonymity in Alternative Resolution.

Additional measures that may be agreed to as a result of Alternative Resolution may include:

- Educational programming and/or training;
- Regular meetings with an appropriate University individual, unit, or resource;
- Extension of a No Contact Order;
- Restriction from participation in facets of the work or educational environment;
- Restriction from participation in particular events;
- Completion of an educational plan with regular meetings with a conversation partner or other appropriate University staff or faculty member;
- Completion of a development plan with oversight from Human Resources or a supervisor, as appropriate;
- Commitment to regular conversations with Human Resources or a supervisor, as appropriate; and/or
- Counseling sessions.

### **C. Alternative Resolution Agreements**

Some forms of Alternative Resolution will result in a written agreement. Any agreements reached in Alternative Resolution must be approved by the Assistant Vice President of Institutional Equity and Title IX Coordinator (or designee).

If the Assistant Vice President of Institutional Equity and Title IX Coordinator (or designee) approves an agreement after the parties have voluntarily reached consensus as to its terms, the Respondent will be required to comply with the agreement. Failure to comply with the agreement may result in the matter being referred to the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

### **D. Referral Back to Other Procedures**

If, for any reason, no resolution is reached, the matter may be referred to the Assistant Vice President of Institutional Equity and Title IX Coordinator (or designee) for further action under the Sexual Harassment Procedures or the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

### **E. Timing**

The University will seek to complete Alternative Resolution within sixty calendar days following the decision to proceed with Alternative Resolution. The sixty calendar-day timeframe does not typically include academic break periods and may be affected by holidays or other extenuating circumstances. The University reserves the right to reasonably modify Alternative Resolution on a case-by-case basis due to the scope or complexity of the facts and circumstances at issue, or due to other extenuating circumstances. The University may extend any timeframe in this policy for good cause, including extension beyond sixty calendar days. Any modifications will be communicated to both parties.

---

## **4. SEXUAL HARASSMENT PROCEDURES**

---

The Sexual Harassment Procedures apply when the Respondent is a student, staff, or faculty member at the University at the time of the alleged conduct and where the conduct alleged includes Sexual Harassment under the Policy.

Following the Initial Assessment, Alternative Resolution may be available in cases alleging Sexual Harassment. In such cases, prior to engaging in Alternative Resolution, the University will provide both parties with written notice of the allegations, explain the requirements and consequences of Alternative Resolution, and obtain both parties voluntary and written consent to participate in Alternative Resolution.

### **A. Formal Complaint Requirement for Sexual Harassment Procedures**

At the conclusion of the initial assessment, if the report alleges conduct that falls within the prohibition on Sexual Harassment in the Policy, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will inform the Complainant that in order to proceed under the Sexual Harassment Procedures, a Formal Complaint, as defined in the Policy, as defined in the Policy, is required.

The University will conduct an Investigation under the Sexual Harassment Procedures only upon the filing of a Formal Complaint alleging Sexual Harassment. A Formal Complaint may be initiated by only the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator or a Complainant participating in or attempting to participate in a University education program or activity. A Complainant may file a Formal Complaint in person at the Office of Institutional Equity, by mail at Office of Institutional Equity 100 Grace Hall, Notre Dame, IN, 46556, by email at [equity@nd.edu](mailto:equity@nd.edu), by contacting the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator, or [speakup.nd.edu](http://speakup.nd.edu). When a Complainant submits a Formal Complaint, he or she must include a physical or digital signature to indicate that the Complainant is the person filing the Formal Complaint.

### **B. Dismissal of Formal Complaints of Sexual Harassment**

The Department of Education requires universities to distinguish between conduct regulated by Title IX and conduct that is not regulated by Title IX but is still prohibited by University policies or codes. Under Title IX, the University must dismiss a Formal Complaint of Sexual Harassment or the part of the allegations in a Formal Complaint of Sexual Harassment, if applicable, where the conduct alleged:

- would not constitute Sexual Harassment as defined in the Policy;
- did not occur in the University's educational programs or activities; or
- did not occur in the United States.

The University may dismiss a Formal Complaint of Sexual Harassment if:

- a Complainant notifies the Title IX Coordinator in writing that he or she would like to withdraw the Formal Complaint or any allegations therein;
- the Respondent is no longer enrolled or employed by the University; or

- the University is prevented from gathering evidence sufficient to reach a determination.

A dismissal pursuant to Department of Education Title IX Regulations, however, does not prevent the University from investigating the matter under otherwise applicable processes in these Procedures. For example, if alleged Sexual Harassment occurs at an off-campus location (*i.e.*, outside the University's educational programs or activities) or outside of the United States, the University may still investigate the matter under the Sexual Harassment Procedures. Similarly, if alleged conduct does not constitute Sexual Harassment as defined in the Policy, the University may still investigate the matter under the Procedures for Discriminatory Harassment and Other Sex-Based Misconduct.

If the University must dismiss allegations of conduct based upon the determination that the conduct does not fall under one or more provisions of the Policy, the dismissal does not preclude the University from addressing conduct in any manner the University deems appropriate under other University policies.

### **C. Notice of Investigation**

Upon receipt of a Formal Complaint of Sexual Harassment, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will provide the Complainant and the Respondent a written Notice of Investigation, containing the following information (if known):

- the conduct allegedly constituting a Policy violation, including the identities of the parties involved in the incident and the date and location of the alleged incident; and
- the alleged Policy violation(s).

This Notice of Investigation will also inform the parties of their rights under the Sexual Harassment Procedures.

If the Investigation reveals the existence of additional or different potential Policy violations, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will issue a supplemental Notice of Investigation that includes this information.

### **D. Formal Proceedings for Sexual Harassment**

Where Alternative Resolution is not pursued, a Formal Complaint of Sexual Harassment will go through the Formal Proceedings under the Sexual Harassment Procedures. These Formal Proceedings involve an Investigation and could result in sanctions against a Respondent. When a Formal Complaint of Sexual Harassment is referred to the Formal Proceedings under the Sexual Harassment Procedures, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will appoint one or more Investigators to conduct a prompt, thorough, fair, and impartial Investigation.

#### **1. Advisors**

The Complainant and Respondent will each be permitted to be accompanied by an Advisor of his or her choice at each stage of the Sexual Harassment Procedures in which the party participates.

For example, a party may bring his or her Advisor to his or her own Investigation interview and to a Hearing, if one occurs. An Advisor may not appear in the place of either the Complainant or Respondent.

Aside from during the Hearing, as described below, the Advisor role is nonspeaking. While the Advisor may provide support and advice to the parties before any meeting and/or interview and during breaks in meetings and/or interviews, outside of the hearing Advisors will not be permitted to make comments, pass notes, or otherwise disrupt any part of the Sexual Harassment Procedures process. Advisors who are disruptive during an Investigation meeting and/or interview will be required to leave.

The University will not delay the scheduling of meetings and/or interviews based on the Advisor's unavailability.

With the exception of the Hearing, as described below, the University will communicate directly with the Complainant and Respondent, not through any third party.

If a party does not have an Advisor to accompany him or her at the Hearing, the Title IX Coordinator (or designee) will appoint such an Advisor of the University's choice.

## 2. Investigation

The University will provide a prompt, fair, thorough, and impartial Investigation of the Formal Complaint. Investigations are aimed at gathering all available, relevant evidence in the form of witness interviews and other information. The Investigator(s) appointed by the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will conduct the Investigation.

The University aims to complete all Investigations within sixty calendar days of the filing of a Formal Complaint. However, there may be some Investigations that cannot be completed within sixty calendar days. In such cases, the University will communicate to the Complainant and Respondent that the Investigation is going to take longer than sixty calendar days and, in doing so, will indicate when the University believes it will complete the Investigation.

In the course of the Investigation, both parties will be afforded an opportunity to provide relevant information, including an opportunity to identify witnesses and provide other relevant evidence. The Investigator will meet separately with the Complainant, Respondent, and other relevant witnesses, if any.

While both parties are encouraged to provide any information they believe may be relevant, evidence about a party's prior sexual conduct is ordinarily not considered relevant. Such information may be relevant in those instances where there was a prior sexual relationship between the parties and the information shared may be relevant to the issue of Consent or where such questions and evidence are offered to prove that someone other than the Respondent committed the conduct alleged. In addition, evidence of a prior consensual dating or sexual relationship between the parties, by itself, does not imply Consent or preclude a finding of sexual misconduct.

The Investigator may also gather or request other relevant information or evidence, when available and appropriate. The Complainant and Respondent will be asked to identify witnesses and provide other relevant information, such as documents, communications, photographs, and other evidence. Both parties are encouraged to provide all relevant information (including witness information) as promptly as possible to facilitate prompt resolution. In the course of the Investigation, information will be shared as necessary with people who need to know, such as Investigators, parties, and witnesses.

### 3. Investigative Report

At the conclusion of the information-gathering portion of the Investigation but before the completion of an Investigative Report, the Investigator will provide hard-copy or electronic access to all evidence obtained as part of the Investigation to both parties (and their respective Advisors, if any) for their review.

The parties will have ten calendar days to review and respond to the evidence. All responses to the evidence must be submitted by the party in writing to the Investigator. Advisors are not permitted to submit written responses to the evidence on their own or on behalf of the party they are advising. The Investigator will consider all timely responses submitted by a party.

The parties' written responses may provide the following to the Investigator:

- comment or feedback;
- additional information, including identifying additional witnesses; and/or;
- questions for the Investigator to consider asking the other party or witnesses.

Following receipt of the parties' written responses, if any, the Investigators will review all relevant information obtained and may conduct additional interviews with the parties and/or witnesses. The Investigators will then draft an Investigative Report, which will outline each of the allegations that potentially constitutes Sexual Harassment, overview the procedural steps of the Investigation, and fairly summarize the relevant evidence, both inculpatory and exculpatory, obtained during the Investigation.

The parties, along with their respective Advisors, if any, will be provided hard-copy or electronic access to review the Investigative Report and all evidence directly related to the allegation at least ten calendar days prior to the date of the scheduled Hearing. The parties may provide a written response in advance of the Hearing.

### 4. Hearing

Upon receipt of the Investigative Report, the Title IX Coordinator (or designee) will convene a meeting of a Hearing Board. The Hearing Board will conduct a Hearing to determine, by a preponderance of the evidence, whether the Respondent violated any provision of the Policy.

The University will provide at least ten days written notice to Hearing participants (including each party's Advisor, if any, upon the party's signed information release for their Advisor of choice), including the date, time, location, names of all hearing participants.

Prior to the Hearing, members of the Hearing Board shall be provided a copy of the Investigative Report, along with all evidence provided to the parties and all party responses to the Investigative Report, if any.

*a. Constituting the Hearing Board*

The Hearing Board will be composed of three individuals, selected from a standing pool of committee members nominated by the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee), in conjunction with the Vice President for Student Affairs and the Executive Committee of the Academic Council, and appointed by the University President. Each Hearing Board will consist of a Hearing Officer, one staff member, and one faculty member. Students may not serve as members of the Hearing Board.

*b. Pre-Hearing Meeting*

At least three calendar days before the Hearing, the Hearing Officer will convene a Pre-Hearing Meeting among the parties and/or their Advisors. Either a party or his or her Advisor must attend the Pre-Hearing Meeting. The Hearing Officer will set the agenda for the Pre-Hearing Meeting, which may include the following:

- Proceeding structure and logistics, including the process that will be utilized for the presentation of witnesses and evidence
- Stipulations of fact, if any
- Witness lists and order
- Exhibit lists and admissibility
- Relevance of evidence
- Expected length of Hearing and other timing considerations

After the Pre-Hearing Meeting, the Hearing Board will send the parties a written summary of the meeting.

*c. Hearing*

The Hearing is an opportunity for the Complainant and the Respondent to address the Hearing Board in person. The Complainant and the Respondent make opening and closing statements and present relevant witnesses. It is also an opportunity for the Hearing Board to hear directly from the parties and relevant witnesses and to evaluate all relevant evidence obtained during the Investigation. The Hearing Board has the discretion to determine the specific Hearing agenda.

The Complainant and the Respondent will have the opportunity to be present throughout the entire Hearing. Either party may request alternative arrangements for participating in the Hearing that do not require physical proximity to the other party, including participating through electronic means that permit both parties to simultaneously see and hear each other. Should the Complainant or Respondent fail to attend the scheduled Hearing, the Hearing will be held and a determination will be made despite his and/or her absence. If a Complainant, Respondent, or witness does not submit to cross-examination at the Hearing, however, the Hearing Board will not rely on any statement of that party or witness in reaching a determination regarding responsibility.

An excused absence from University obligations, including academic courses, will be provided to parties and witnesses in order to attend the Hearing.

Both the Complainant and the Respondent are provided the opportunity to be heard and respond to any questions of the Hearing Board. The Hearing Board will communicate directly with the Complainant and the Respondent, not through any third party. A representative may not appear in the place of a Complainant or Respondent.

Neither the Complainant nor the Respondent will be permitted to engage in direct communication with each other before, during, or immediately after the Hearing.

*d. Role of Advisors in Hearing*

Both the Complainant and the Respondent may have an Advisor of choice present at the Hearing. If a party does not have an Advisor for the live hearing, the University will provide an Advisor of its choice to conduct cross-examination on behalf of that party. Advisors are not permitted to actively participate in the hearing, except for asking questions of the other party and any witnesses as described below.

*e. Evidence and Questioning*

***Access to Evidence.*** The Hearing Board will make all relevant evidence obtained as part of the Investigation that is directly related to the allegations raised in the Formal Complaint available at the Hearing and will give each party equal opportunity to refer to such evidence.

***Privileged Information.*** No person will be required to disclose information protected under a legally recognized privilege. The Hearing Officer will not allow into evidence or rely upon any questions or evidence that may require or seek disclosure of such information, unless the person holding the privilege has waived the privilege.

***Objections and Other Procedural Matters.*** At the Hearing, the Hearing Officer will rule on all objections and other procedural and evidentiary matters, including those regarding privilege, relevance, exhibits, and the testimony of Hearing participants.

***Requirement to Participate in Investigation.*** There is a presumption that, to be considered in the Hearing, evidence or witness testimony must be part of the Investigation record. The Hearing Board has the sole discretion to permit evidence or testimony that is not part of the Investigation record to be offered in a Hearing if that evidence is relevant and was previously unknown or unavailable.

***Questioning.*** The Hearing Officer may, at the Hearing Officer's discretion, ask questions during the Hearing of any party or witness and may be the first person to ask questions of any party or witness. Each party's Advisor may ask the other party and any witnesses relevant questions, including those challenging credibility. A Complainant or Respondent will not be permitted to personally ask questions of the other party or any witnesses that participate in the Hearing. Advisors may ask questions under the following procedure: The Advisor will ask a question of the applicable participant. If the Hearing Officer determines the Advisor's question is not

relevant to the allegations in the Formal Complaint, then the Hearing Officer must explain any decision to exclude a question as not relevant. If the Hearing Officer allows the question as relevant, the participant will be expected to answer it.

***Cross-Examination.*** If a party or witness does not submit to cross-examination at the Hearing, the Hearing Board will not rely on any statement of that party or witness in reaching a determination regarding responsibility. The Hearing Board, will not, however, draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or their refusal to answer cross-examination questions or other questions.

#### f. *Recording*

Proceedings will be recorded by the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) and may not be recorded by anyone other than the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee). The recording will be preserved for at least seven years after the conclusion of the Proceeding or as long as necessary to provide evidence should the matter be referred to legal processes.

### 5. Determination and Sanctions

Following the Hearing, the Hearing Board will make a written determination as to whether, based on a preponderance of evidence, a violation of the Policy has occurred and which Sanctions, if any, shall be assigned. The Hearing Board will provide its written determination to the parties simultaneously.

The written determination will include a description of the allegations potentially constituting Sexual Harassment, findings of fact supporting the determination, and conclusions applying the University's Policy to the facts.

The Respondent in the Sexual Harassment Procedures is presumed to be not responsible. This presumption may be overcome only after a Hearing where the Hearing Board concludes that the Respondent violated University policy, based on a preponderance of the evidence (*i.e.*, whether it is more likely than not a violation occurred).

Where there is a finding of responsibility for a violation of the Policy, the Hearing Board may assign one or more Sanctions, as described below. In assigning sanctions, the Hearing Board may consider the Respondent's past disciplinary or conduct issues, if any, which will be provided by the relevant University department.

The assignment of Sanctions is designed to eliminate Sexual Harassment, prevent its recurrence, and remedy its effects, while supporting the University's educational mission.

Sanctions may be assigned individually or in combination. Sanctions may include, but are not limited to, the following:

- Counseling or Education
- Verbal or Written Reprimand

- Written Warning
- Participation in an University Program or Activity
- Restorative Justice Conference
- Alcohol Assessment or Education
- Substance Abuse Treatment
- Psychological Assessment
- Ban from Campus or Specific Location(s) on Campus
- Additional Sanctions for Student Respondents
  - Loss of Extra-Curricular Privileges
  - Loss of Specific Privileges within a Residential Community
  - Loss of Opportunity to Live in Campus Housing
  - No Contact Order
  - Student Disciplinary Action
    - *Disciplinary Probation*: Defined as a specified period of observation and evaluation of a student's conduct. Any violation of University or residence hall policy committed by a student on Disciplinary Probation is a serious violation and could result in dismissal from the University. A student placed on Disciplinary Probation may not participate in an international study abroad program or any other off-site University academic program during the period of probation.
    - *Dismissal with the Opportunity to Apply for Readmission*: A separation from the University which provides the student an opportunity to apply for readmission after a specified period of time and after meeting all conditions specified at the time of dismissal. An application to the University is required to seek readmission and readmission is not guaranteed. The University reserves the right to consider in its sole discretion, as a part of a student's application for readmission, any unresolved and/or additional reports of alleged misconduct.
    - *Permanent Dismissal*: A permanent separation from the University with no opportunity for readmission.
- Additional Sanctions for Faculty and Staff Respondents
  - Transfer or Reassignment to another department, position, or schedule
  - Change of Duties and/or Responsibilities
  - Loss of Opportunity for Merit Increase
  - Removal from Positions of Leadership
  - Loss of Employment Privileges
  - Faculty and Staff Corrective Action
    - Suspension
    - Demotion, including Demotion in Academic Rank
    - Revocation of Tenure
    - Termination from Employment
    - Reduction of Individual Salary or Pay

Sanctions may be imposed on a Respondent through the Sexual Harassment Procedures. Sanctions may not be imposed through Alternative Resolution.

Independent of any Sanctions, the University may also take the appropriate remedial measures to protect the Complainant. The remedial measures may include the provision of counseling, training, educational programming, accommodations, and other assistance as appropriate.

## 6. Appeals

Within ten calendar days of being informed of the University's full or partial dismissal of a Formal Complaint or a determination regarding responsibility by a Hearing Board, either a Complainant or a Respondent may request an appeal from by filing a written Request for Appeal.

Third parties may not file a Request for Appeal on behalf of a Respondent or a Complainant. Failure to submit a Request for Appeal within the time specified will render the University's dismissal or the Hearing Board's determination regarding responsibility final and conclusive. Unless otherwise stated, if a Request for Appeal is filed, the University's dismissal or the Hearing Board's determination will not become effective until the appeal process is complete.

An Appeal Coordinator appointed by the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will administer the appeal process. The University will aim to resolve the appeal process within a reasonably prompt timeframe.

A Complainant and/or a Respondent must establish one or more of the following grounds for review:

- A procedural irregularity that affected the outcome of matter. The Complainant's or Respondent's Request for Appeal must describe the procedural irregularity in detail and explain how it affected the outcome of the matter.
- New evidence that was not reasonably available at the time of the determination of responsibility or the dismissal, that could affect the outcome of the matter. The Complainant's or Respondent's Request for Appeal must describe the new evidence in detail, explain why the evidence was not available prior to the dismissal or determination, and explain how it affected the outcome of the matter. Complainants or Respondents who fail to participate in the Investigation or Hearing process generally will be deemed to have waived the opportunity to present witnesses and relevant information on their own behalf. Such Complainants or Respondents generally will be deemed to have waived the opportunity to present "new evidence" through the appeal process.
- The Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee), Investigator(s), or Hearing Board member(s) had a conflict of interest and/or bias for or against Complainants or Respondents generally, or against the individual Complainant or Respondent, that affected the outcome of the matter.

To the extent that any of the foregoing grounds require an evidentiary determination, the standard of evidence shall be a preponderance of the evidence.

The Complainant and/or Respondent may also appeal on the basis that the assigned Sanction does not fall within the range of appropriate sanctions.

Requests for Appeal are screened by the Appeal Coordinator. Requests for Appeal that are not submitted by the communicated deadline, or that do not include required information concerning the specified ground(s) for review, may be denied by the Appeal Coordinator. A Complainant's or a Respondent's Request for Appeal that is submitted within the communicated deadline and that includes the required information concerning the ground(s) for review will be forwarded by the Appeal Coordinator to the other party and to the Hearing Board. The other party will have the opportunity to provide a written response to the Request for Appeal. The other party's response must be submitted within seven calendar days of receipt of the notice of the Request for Appeal. The Hearing Board will also have the opportunity to provide a written response to the Request for Appeal.

The Appeal Coordinator will then forward the Request for Appeal, any responses from the other party and/or the Hearing Board, and the case file to one of the following individuals, who will decide the appeal:

- for student Respondents, the Vice President for Student Affairs or designee;
- for staff Respondents, the Vice President for Human Resources or designee; and
- for faculty Respondents, a three-member advisory panel will provide a recommendation to the Provost or designee. The panel will consist of three tenured faculty who are elected members of the Academic Council. The advisory panel will forward its recommendation to the Provost or designee, to make the decision on the appeal.

The Appeal decision will be made based on a review of the Complainant's or Respondent's Request for Appeal, the case file and, where applicable, any responses from the other party and/or the Hearing Board.

Upon review, the Vice President for Student Affairs, Vice President for Human Resources, or the Provost (or designees) may remand the case for additional formal proceedings, where appropriate.

The outcome of the Appeal will be communicated to the Respondent and the Complainant via written notification. The appeal decision is final and not subject to further review.

## **5. PROCEDURES FOR DISCRIMINATORY HARASSMENT AND OTHER SEX-BASED MISCONDUCT**

### **A. Student Procedures**

In cases where a student (including a student employee) is accused of engaging in Discriminatory Harassment or Other Sex-Based Misconduct under the Policy, the procedures described in this section apply.

#### **1. Initial Assessment**

After receiving a report, the Assistant Vice President and Title IX Coordinator (or designee) will gather information about the reported conduct and respond to any immediate health or safety concerns. The Assistant Vice President and Title IX Coordinator (or designee) will assess the nature and circumstances of the report to determine whether the reported conduct is within the

scope of this Policy, whether the reported conduct raises a potential Policy violation, and the appropriate manner of resolution under these procedures. This will include, when possible, a discussion of the Complainant's expressed preference for manner of resolution and any barriers to proceeding. It will also take into consideration the University's obligation to maintain an environment free from harassment.

At the conclusion of the initial assessment, the University will either:

- refer the report to the Alternative Resolution process;
- refer the report to the Administrative Review process;
- refer the report to an appropriate entity to address the concerns if the conduct is not within the scope of the policy or does not raise a potential policy violation; and/or
- close the matter.

## 2. Alternative Resolution

Alternative Resolution may be available in cases alleging Discriminatory Harassment or Other Sex-Based Misconduct, so long as the University provides both parties with written notice of the allegations, explains the requirements and consequences of Alternative Resolution, and obtains both parties' voluntary and written consent to participate in Alternative Resolution as described above.

## 3. Administrative Review

Where Alternative Resolution is not pursued and an Initial Assessment determines that an investigative process is appropriate, a report of Discriminatory Harassment or Other Sex-Based Misconduct will go through an Administrative Review. In Administrative Review, the Office of Institutional Equity (or designee) will investigate complaints and determine whether or not a violation of the Policy occurred. A preponderance of the evidence standard (i.e., whether it is more likely than not a violation occurred) will be used to determine the outcome of an Administrative Review, which could result in Sanctions against a Respondent.

### a. *Advisors*

Student Complainants and Respondents in an Administrative Review are provided the opportunity to consult with an Advisor of their choosing. The parties may be accompanied by their respective Advisors at any meeting or interview involved in an Administrative Review, but the Advisor's role is non-speaking, and Advisors who are disruptive may be required to leave. While Advisors may provide support and advice to the parties before any meeting or interview and during breaks in meetings or investigative interviews, Advisors may not speak on behalf of the parties or otherwise participate in, or in any manner delay, disrupt, or interfere with any meetings or interviews involved in the process.

The University will communicate directly with the Complainant and Respondent throughout an Administrative Review, not through any third party. A representative may not appear in the place of either the Complainant or Respondent.

### b. *Investigation*

When a report of Discriminatory Harassment or Other Sex-Based Misconduct is referred to an Administrative Review, the Assistant Vice President of the Office of Institutional Equity and Title IX Coordinator (or designee) will appoint an Investigator to conduct a prompt, thorough, fair, and impartial Investigation.

During an Investigation, the Investigator will meet separately with the Complainant, Respondent, and relevant witnesses, if any. Witnesses are individuals the Investigator deems to have information relevant to the allegation of a Policy violation. Witnesses may not participate solely to speak about an individual's character.

The Investigator may also gather or request other relevant information or evidence, when available and appropriate. The Complainant and Respondent will be asked to identify witnesses and provide other relevant information, such as documents, communications, photographs, and other evidence. Both parties are encouraged to provide all relevant information (including witness information) as promptly as possible to facilitate prompt resolution.

After conducting interviews and gathering other relevant information, if any, the Investigator will prepare an Investigative Report. The Investigative Report will summarize relevant information obtained during the Investigation.

The Complainant and the Respondent will be afforded the ability to review the Investigative Report. The Investigator will designate a reasonable time for this review by the parties, not to exceed five calendar days. During the course of this review:

- All documents are property of the University and shall remain in the Office of Institutional Equity; however, the Office of Institutional Equity may provide alternative arrangements to review documents.
- Documents may not be photocopied, photographed, recorded or duplicated.
- Handwritten notes are allowed; cell phones, laptops, and all other electronic/recording devices will be collected.
- An individual participating as a witness may not be present during the review of documents.

#### *c. Acceptance of Responsibility*

If, after reviewing the Investigative Report, the Respondent wishes to formally accept responsibility for the alleged Policy violations, the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) may decide, in his or her sole discretion, to recognize the acceptance of responsibility and forego an Administrative Review Board Proceeding. In this situation, the Equity Panel, as described below, will be notified of the acceptance of responsibility, and may assign one or more Sanctions.

#### *d. Determination*

Upon receipt of the Investigative Report, the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) will convene a meeting with and seek advice from a two-member Equity Panel. The members of the Equity Panel will be selected by the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or

designee) and will consist of one faculty member and one non-faculty member. The Equity Panel will be selected from a standing pool of members nominated by the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee), in conjunction with the Vice President for Student Affairs and the Office of the Provost, and appointed by the University President. Students may not serve as members of the Equity Panel.

Prior to the meeting, members of the Equity Panel shall be furnished with a copy of the Investigative Report and copies of any relevant information obtained by the Investigator(s). At the meeting, the Equity Panel will be afforded the opportunity to ask questions of the Investigator(s). Upon request, the Complainant and the Respondent will be afforded an opportunity to meet independently with the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) and the panel to make a brief statement and to answer any questions that they may have.

The Complainant or Respondent are not required to attend the scheduled meeting, and the meeting will be held and a determination will be made despite a party's absence. If a party chooses to attend the meeting, however, an excused absence from University obligations, including academic courses, will be provided. A representative may not appear in the place of a Complainant or Respondent; however, parties do have the opportunity to have an Advisor of choice present at the meeting. The advisor's role is non-speaking. Advisors will not be permitted to make comments, pass notes, or otherwise disrupt the panel proceeding. Advisors who are disruptive during the panel proceeding may be required to leave.

Following the meeting with the Equity Panel, the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) shall make a written determination whether a violation of the Policy has occurred.

Where there is a finding of responsibility for a violation of the Policy, the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) may assign one or more Sanctions, as defined in Section IV above. In assigning Sanctions, the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) may, in his or her sole discretion, consult with the Office of Community Standards.

#### *e. Appeals*

Within ten calendar days of being informed of a determination that results in a determination of not responsible or a Sanction, either a Complainant or a Respondent may request an appeal from by filing a written Request for Appeal.

Third parties may not file a Request for Appeal on behalf of a Respondent or a Complainant. Failure to submit a Request for Appeal within the time specified will render the determination final and conclusive. Unless otherwise stated, if a Request for Appeal is filed, the determination will not become effective until the appeal process is complete.

An Appeal Coordinator appointed by the Assistant Vice President for the Office of Institutional Equity and Title IX Coordinator (or designee) will administer the appeal process. The appeal process will generally be resolved in a reasonably prompt timeframe.

A Complainant or a Respondent must establish one or more of the following grounds for review:

- A procedural defect in the Administrative Review that was substantial enough to have changed the determination. The Complainant's or Respondent's request must describe the procedural defect in detail and explain how it was substantial enough to have changed the determination; and/or
- The discovery of substantive new information that was unknown or unavailable to the Complainant or Respondent during the Administrative Review and was substantial enough to have changed the determination. The Complainant's or Respondent's request must describe the newly discovered information in detail, explain why the information was not available during the Administrative Review, and explain how it was substantial enough to have changed the determination. Complainants or Respondents who fail to participate in the Investigation or Equity Panel meeting generally will be deemed to have waived the opportunity to present "substantive new information" through the Appeal process.

To the extent that any of the foregoing grounds require an evidentiary determination, the standard of evidence shall be a preponderance of the evidence.

The Complainant and/or Respondent may also appeal on the basis that the assigned Sanction does not fall within the range of appropriate sanctions.

After receiving a Complainant's or a Respondent's Request for Appeal, the Appeal Coordinator will acknowledge receipt to the Complainant or Respondent via written notification. Requests for Appeal are screened by the Appeal Coordinator. Requests for Appeal that are not submitted by the communicated deadline, or that do not include required information concerning the specified ground(s) for review, may be denied by the Appeal Coordinator. Requests for Appeal that are submitted within the communicated deadline and that include the required information concerning the ground(s) for review will be forwarded by the Appeal Coordinator to the other party and the Equity Panel. The other party will have the opportunity to provide a written response to the Request for Appeal. The other party's response must be submitted within seven calendar days of receipt of the notice of the Request for Appeal. The Equity Panel will have the opportunity to provide a response to the Request for Appeal. The Appeal Coordinator will then forward the Request for Appeal, any responses from the other party and/or the Equity Panel, and the case file to the Vice President for Student Affairs (or designee), who will decide the appeal.

The Appeal decision will be made based on a review of the Request for Appeal, the case file and, where applicable, any responses from the other party and/or the Equity Panel. Upon review, the Vice President for Student Affairs (or designee) may remand the case for additional proceedings, where appropriate.

The outcome of the Appeal will be communicated to the Respondent and the Complainant via written notification. The Appeal decision is final and not subject to further review.

## **B. Faculty and Staff Procedures**

In cases where a faculty or staff member is accused of engaging in Discriminatory Harassment or Other Sex-Based Misconduct under the Policy, the procedures described in this section apply.

## 1. Alternative Resolution

Alternative Resolution may be available in cases alleging Discriminatory Harassment or Other Sex-Based Misconduct, so long as the University provides both parties with written notice of the allegations, explains the requirements and consequences of Alternative Resolution, and obtains both parties' voluntary and written consent to participate in Alternative Resolution as described above.

## 2. Investigation

Where Alternative Resolution is not pursued, and an Initial Assessment determines that an investigative process is appropriate, the Office of Institutional Equity and Title IX Coordinator (or designee) will appoint an Investigator to investigate allegations to determine whether or not a violation of the Policy occurred. The University will provide a prompt, thorough, fair, and impartial investigation and resolution. A preponderance of the evidence standard (i.e., whether it is more likely than not a violation occurred) will be used to determine the outcome of an investigation.

During the course of an Investigation, the University may impose interim measures to protect the integrity of the process and/or to protect the parties, where appropriate. Such interim measures may include, but are not limited to, No Contact Orders and adjustments to work schedules, locations, or assignments. Any interim measures will be administered by the Office of Institutional Equity and Title IX Coordinator (or designee).

## 3. Determination and Sanctions

The University may take the appropriate remedial measures to protect the Complainant and/or to stop any misconduct by faculty or staff members, and may impose any Sanctions, as defined in Section IV above, it deems appropriate. The remedial measures may include, but are not limited to, the provision of counseling, training, educational programming, accommodations, No Contact Orders, and adjustments to work schedules, locations, or assignments.

The University's determination as to whether a violation of the Policy occurred will be communicated to the Complainant and the Respondent in writing. The University will notify the Complainant of any remedial measures or sanctions imposed that directly relate to the Complainant.

## 4. Appeal

### a. *Where Respondent is a Staff Member*

In cases involving allegations of Discriminatory Harassment or Other Sex-Based Misconduct against a staff member Respondent, the Complainant or Respondent may request a review of the outcome of the Investigation by submitting a written Request for Appeal to the Vice President of Human Resources within ten calendar days of notification of the outcome of the Investigation. The Request for Appeal must state with specificity acceptable grounds for seeking a review. Acceptable grounds for review are limited to the following: (1) a procedural defect that was

substantial enough to have changed the outcome; and/or (2) the discovery of substantive new information that was unknown or unavailable at the time of the investigation and was substantial enough to have changed the outcome. To the extent that the foregoing grounds require an evidentiary determination, the standard of evidence shall be a preponderance of the evidence. Except in cases of Termination from Employment, the severity of the Sanction is not considered a legitimate ground for review. The Vice President of Human Resources (or designee) will provide the parties the University's written response, and this response is final.

*b. Where Respondent is a Faculty Member*

In cases involving allegations of Discriminatory Harassment or Other Sex-Based Misconduct against a faculty member Respondent, the Complainant or Respondent may request that the Vice President and Senior Associate Provost for Faculty Affairs review the outcome of the investigation. This request must be in writing or email, must occur within ten calendar days of notification of the outcome of the Investigation, and must state with specificity acceptable grounds for seeking a review. Acceptable grounds are limited to the following: (1) a procedural defect that was substantial enough to have changed the outcome; and/or (2) the discovery of substantive new information that was unknown or unavailable at the time of the Investigation and was substantial enough to have changed the outcome. To the extent that any of the foregoing grounds require an evidentiary determination, the standard of evidence shall be a preponderance of the evidence. The Vice President and Sr. Associate Provost for Faculty Affairs (or designee) will provide a written response to the party seeking a review, and this response is final.

If a Respondent faculty member wishes to appeal the outcome of an Investigation that results in "severe sanctions," as defined in the Academic Articles, that faculty member is entitled to the procedural protections (including the right of appeal) set forth in Article IV, Section 9 of the Academic Articles.

## APPENDIX 3

All statements of policy and procedure contained in this Annual Security and Fire Safety Report pertain to all the University's remote locations, except as otherwise noted below.

### Chicago Campus

The University of Notre Dame's facility in Chicago is located at the Railway Exchange Building, at 224 S. Michigan Avenue ("Railway Exchange Building").

#### Security and Law Enforcement

Securitas Security Services USA ("Securitas"), a private security company, provides onsite security services. Securitas personnel ("Security Officers") are staffed at the Railway Exchange Building 24 hours per day, seven days per week. The Security Officers are trained, and while they are licensed by the state of Illinois, they have no powers of arrest. They enforce building regulations, maintain order, investigate building alarms, screen personnel entering and exiting the building and are on the alert for any unusual activity within the building. During non-business hours, the Security Officers conduct patrols of the building.

The University does not have a Memorandum of Understanding with the Chicago Police Department or any other local police agency. The University does not officially recognize any student organization with an off-site location.

#### Emergency Procedures and Crime Reporting

Individuals are encouraged to accurately and promptly report all crimes to the local law enforcement authorities, including the Chicago Police Department, even when the victim is unable to make such a report. Criminal investigations are handled by the Chicago Police Department.

To contact the police in an emergency, telephone 911 and ask for the police; in the event of a non-emergency, telephone 311.

Any crime, emergency or suspicious situation should also be reported immediately to the building's Security Officers, and to the University's Program Director. The Security Officers can be reached at (312) 341-9436 in the event of an emergency. Building Management, Jones Lang LaSalle, can be reached at (312) 341-9431 for non-emergency matters.

#### Building Lighting and Physical Plant

Jones Lang LaSalle (the "Property Manager") maintains the Railway Exchange Building with a concern for the safety and security of the members of our community. The building's facilities and lighting are regularly surveyed by Jones Lang LaSalle staff. Security staff assist Jones Lang LaSalle by reporting potential safety or security concerns. Anyone who notices a safety or security problem with the physical plant should contact the Property Manager at 312-341-9431, or in person in the Office of the Building located on the 3rd floor.

#### Security of and Access to the Academic Facility

The Railway Exchange Building is staffed by Security Officers 24 hours per day, seven days per week. The Railway Exchange Building is open to the public from 7:00 am to 6:00 pm Monday through Friday. Access is available to tenants and their guests at any time.

Tenants and guests entering the building between 6:00 pm and 10:00 pm Monday through Friday and all day on Saturday and Sunday are required to use their security access cards at the security console. The Michigan Avenue doors are unlocked until 10:00 pm each night. All Tenants must use their security access cards to enter the building at Michigan Avenue between 10:00 p.m. and 7:00 a.m. each day. The Jackson Boulevard doors are open from 7:00 a.m. through 6:00 pm, Monday through Friday, and are locked at all other times. On weekends, access is only available from Michigan Avenue.

#### Sex Offender Registries

The Illinois State Police provides an online listing of sex offenders required to register in the State of Illinois. This registry, as well as detailed information about Illinois laws governing the registry, is available [here](#). The database is updated daily and allows searching by name, city, county, zip code, compliance status, or any combination thereof, so that the general public has access to the identity, location, and appearance of sex offenders who live, work, or study in Illinois. The registry can also be searched by geographic location.

## Crime Alerts (a/k/a Timely Warnings)

In an effort to provide timely notice to the Notre Dame Chicago community, and in the event a serious crime occurs at the Railway Exchange Building and poses a serious, ongoing threat to members of the Notre Dame community in Chicago, a mass email Crime Alert will be sent to all students and employees at the building. The alerts are generally written by the Program Director or a designee, in consultation with the Chief of the Notre Dame Police Department, and they are distributed to the community by email. Updates to the Notre Dame Chicago community about any particular case resulting in a Crime Alert may be distributed via email or may be posted in the Railway Exchange Building.

Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of complainants. Such alerts and updates shall not include identifying information about the complainant in any publicly-available recordkeeping to the extent permitted by law.

## Notification About an Immediate Threat

The University will immediately notify the Chicago community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty or staff

occurring at the Railway Exchange Building. The Chicago Police Department and Chicago Fire Department are primarily responsible for confirming that there is a significant emergency or dangerous situation at the facility that could cause an immediate threat to the health or safety of the members of the community.

The Property Manager, in conjunction with the Program Director, is responsible for communicating appropriate, relevant information to students, faculty and staff in the event of an emergency. In the event of an emergency, notification may be made via fire alarm system, email, and/or announcements (including announcements over the loud speaker system) by staff inside the building.

Taking into account the safety of the community, the Property Manager, in conjunction with the Program Director, will immediately determine the content of the notification and initiate the notification system. Such actions will be delayed if, in the judgment of the first responders (including, but not limited to police and fire service), issuing a notice will compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Information is made available to the larger community, including parents of students, and the people in Chicago and the surrounding areas, by logging onto the Notre Dame Emergency Information website [here](#).

## **Security and Law Enforcement**

The University of Notre Dame in England (UNDE), which is affiliated with the University of Notre Dame, USA (University), has engaged Blink, a private security company, to provide manned guarding at its two premises: namely, Fischer Hall, the academic facility, and Conway Hall, the residential facility. UNDE has also engaged South Bank Business Watch to provide mobile security operatives who patrol the vicinity of Conway Hall. South Bank Business Watch is registered and regulated by a UK Government body, and its security operatives are trained and affiliated by the regulating body, are not armed, and have no powers of arrest. Blink provides a security operative at Conway Hall for 24 hours per day, seven days per week. Blink provides another security operative at Fischer Hall from 4:00 pm to midnight Monday thru Friday and 8:00 am to midnight on weekends. The UNDE does not have a Memorandum of Understanding

with the London Metropolitan Police or any other police agency. The UNDE does not officially recognize any student organization with location outside Fischer Hall and Conway Hall. An incident/crime log is maintained at each location by the security operative and is available for inspection upon request during business hours.

## **Emergency Procedures and Crime Reporting**

Individuals are encouraged to accurately and promptly report all crimes to the local law enforcement authorities, including when the victim is unable to make such a report. Criminal investigations are handled by the Metropolitan Police. Fischer Hall falls within the jurisdiction of the Charring Cross Police Station. Conway Hall falls under the Kennington Police Station. To contact the police in an emergency, telephone 999 and ask for the police; in the event of a non-emergency, telephone 101. Any crime, emergency or suspicious situation should be reported

immediately to the security operative. The telephone number at the teaching building is 020 7484 7800 and at the residential building is 020 7928 1716.

### **Building Lighting and Physical Plant**

The Department of Estate and Facilities Management maintains the London academic building and residence hall with a concern for the safety and security of the members of our community. Facilities and lighting are regularly surveyed by the London staff. Security staff assist Estate and Facilities Management by reporting potential safety or security concerns. Anyone who notices a safety or security problem with the physical plant should contact the Facilities Manager at 020 7484 7802.

### **Security of and Access to the Academic Facility**

UNDE facilities in London are private property. Individuals are allowed onsite at the pleasure of UNDE. Visitors are expected to abide by UNDE's visitation-related policies as outlined in the residence hall rules.

Safety and security within the London residence hall is the joint responsibility of the residence hall staff and security. Entrances to the London residence hall are generally locked at all times except during move-in and move-out. Ensuring that the residence hall is free from uninvited visitors requires that residents themselves take an active role in making sure strangers are reported to hall staff and/or Security. London residents should protect themselves by always locking their doors whether they are in or away from their rooms – even when leaving for a moment. London residents should not prop open locked doors. Remember too, that residents are held accountable for the actions of their guests.

UNDE employs Blink a private security company that provides security operatives at Conway Hall and Fischer Hall. Blink provides a security operative 24 hours a day seven days a week in Conway Hall. Blink provides a security operative in Fischer Hall from 4pm to midnight Monday thru Friday and 8am to Midnight on weekends

### **Sex Offender Registries**

The sex offender registry in the United Kingdom is different than those found in the USA. The registry in England contains the details of anyone convicted, cautioned or released from prison for a sexual offence against children or adults since September 1997, when it was set up. The register, which is run by the police, is not retroactive, so does not include anyone convicted before 1997. Under the Sex Offenders Act 1997, as amended by the Sexual Offences Act 2003, all convicted sex offenders must register with the police within three days of their conviction or release from prison. Failure to register is an offence which can carry a term of imprisonment. Registrants must inform the police within three days if they change their name or address, and disclose if they are spending seven days or more away from their home. Convicted sex offenders have to register with their local police every year.

Head teachers, doctors, youth leaders, sports club managers and others, including landlords, are notified of the existence of a local sex offender on a confidential basis, but the information is not available to the general public in the UK.

### **Crime Alerts (a/k/a Timely Warnings)**

In an effort to provide timely notice to the Notre Dame London community, and in the event a serious crime occurs at either Fischer Hall or Conway Hall and poses a serious, ongoing threat to members of the UNDE community, a mass email Crime Alert will be sent to all students and employees in the London program. Crime alerts are also posted by program staff in both Fischer Hall and Conway Hall and are typically posted in the lobby/entrance area of the buildings. The alerts are generally written by the Director of the London Program, or a designee, in consultation with the Chief of the Notre

Dame Police Department, and they are distributed to the community by listerv. Updates to the Notre Dame London community about any particular case resulting in a Crime Alert may be distributed via email or may be posted in Fischer Hall and Conway Hall. Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of complainants. Such alerts and updates shall not include identifying information about the complainant in any publicly-available recordkeeping to the extent permitted by law.

### **Notification About an Immediate Threat**

UNDE will immediately notify the London community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty or staff occurring at either of the London facilities. Municipal public safety services in London are primarily responsible for confirming that there is a significant emergency or dangerous situation onsite that could cause an immediate threat to the health and safety of the members of the London community.

The London Facilities Manager, in conjunction with the Executive Director, is responsible for communicating appropriate, relevant information to students, faculty and staff in the event of an emergency. In the residence hall, the Rector may make this notification. In the event of an emergency, notification may be made via alarm system, email, and announcements by staff inside the academic building and residence hall.

Taking into account the safety of the community, the London Facilities Manager at the academic building and the Rectors in the residence hall, in conjunction with the Executive Director, will immediately determine the content of the notification and initiate the notification system. Such actions will be delayed if, in the judgment of the first responders (including, but not limited to police and fire service), issuing a notice will compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Emergency information is available to the Notre Dame community associated with this location, including parents of students, through the Notre Dame International Emergencies Abroad website [here](#).

## **Rome, Italy Global Gateway**

The University of Notre Dame operates an academic facility in Rome, located at via Ostilia 15, Rome, Italy (the “academic facility”), as well as a nearby residential facility known as the Villa on the Celio (the “Villa”).

### **Security and Law Enforcement**

Police services are provided by the Italian Police. ITALPOL, a security service, checks on the academic facility in the late night hours after the building is closed, and provides 24/7 security services to the Villa including access control, CCTV monitoring, and a walking patrol of the facility and its vicinity. The ITALPOL Security Officers are not sworn police officers, have no power of arrest, and are not affiliated with any local police agency. The University has no memorandum of understanding with any police agency in Rome. Security matters for the academic facility in Rome fall under the responsibility of the Executive Director.

The University does not officially recognize any student organization in Rome with a location outside the via Ostilia facility or the Villa.

### **Emergency Procedures and Crime Reporting**

Individuals are encouraged to accurately and promptly report crimes to the local law enforcement authorities, including when the victim is unable to make such a report. Criminal investigations are handled by Italian Police. To contact the police in an emergency, telephone 112 and ask for the police. To report a fire emergency, dial 115; and to request an ambulance in response to a medical emergency, dial 118. Any crime, emergency or suspicious situation should also be reported immediately to security (if possible) and residential or academic staff members.

### **Building Lighting and Physical Plant**

The via Ostilia building and the Villa are maintained with a concern for the safety and security of the members of our community. The Rome Executive Director is responsible to coordinate safety and security matters. The facility and its lighting are regularly surveyed by staff. Please assist by reporting potential safety or security concerns to the Executive Director. Anyone who notices a safety or security problem with the physical plant should contact the Rome Executive Director at +39 06772643610

### **Security of and Access to the Academic Facility**

The University facilities in Rome are private property. Individuals are allowed onsite at the discretion of the

University. It is the University's expectation that visitors abide by University rules. Hours of operation for the academic facility are from 8:00 am to midnight, and the entrance to the building is locked at all times. Students, faculty and staff use a key to enter the Rome academic building, and should not admit unknown visitors into the building. Policies for persons visiting the academic facility are outlined in the student handbook. For more information contact the Executive Director.

Safety and security within the Villa and its residential community is the joint responsibility of the residence hall staff and security. Entrances to the residence hall are generally locked at all times. Ensuring that the residence hall is free from uninvited visitors requires that residents themselves take an active role in making sure strangers are reported to hall staff and/or security. Doors within the facility lock automatically whether students are in or away from their rooms – even when leaving for a moment. Residents should not prop open locked doors. Remember too, that residents are held accountable for the actions of their guests. Policies for persons visiting the Villa are outlined in residence hall rules.

### **Support Services for Victims of Sexual Assault**

In addition to the reporting options available to all University students, members of the Notre Dame community in Rome who are subjected to sexual assault may receive local support and assistance through the nearest public hospital. In accordance with Italian law, all medical services rendered in response to sexual assault are free of charge. If desired, the individual may have a support person remain with him/her throughout the visit.

The public hospitals closest to the University's facilities in Rome are:

Ospedale San Giovanni Addolorata  
Via di S. Giovanni in Laterano 149

Ospedale San Giovanni Calibita-Fatebenefratelli  
Via di Ponte Quattro Capi 39, 00186 Roma

### **Sex Offender Registries**

Italy has no sex offender registries that are accessible to the public.

### **Crime Alerts (a/k/a Timely Warnings)**

In an effort to provide timely notice to the Notre Dame Rome community, in the event a serious crime occurs in the academic facility or the Villa and poses a serious, ongoing threat to members of the Notre Dame Rome community, a mass email Crime Alert will be sent to all students and employees in Rome and will typically be posted in the lobby/entrance area of the building(s). Updates to the Notre Dame Rome community about any particular case resulting in a Crime Alert may be distributed via email or may be posted in common areas. Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of complainants. Such alerts and updates shall not include identifying information about the complainant in any publicly-available recordkeeping to the extent permitted by law.

### **Notification About an Immediate Threat**

Notre Dame will immediately notify the Rome community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty or staff occurring at either of the Rome facilities. Municipal public safety services in Rome are primarily responsible for confirming that there is a significant emergency or dangerous situation that could cause an immediate threat to the health and safety of the members of the Rome community.

The Rome Executive Director is responsible to communicate with students, faculty and staff in the Rome facility. The Director of Student Affairs and the Rector are also responsible to communicate with students and others at the Villa. In the event of an emergency, notification may be made via the fire alarm system, email, and/or a verbal announcement by staff inside the building.

The Executive Director in conjunction with the program director will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to police and fire service), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Emergency information is available to the Notre Dame community associated with this location, including parents of students, through the Notre Dame International Emergencies Abroad website [here](#).

The University of Notre Dame Environmental Research Center (UNDERC) is established in two locations. The “East” location encompasses land on both sides of the state line between Wisconsin (in Vilas County) and Michigan’s Upper Peninsula (in Gogebic County). The “West” location is in western Montana (in Lake County).

## **Security and Law Enforcement**

Both sites are subject to local law enforcement agencies (respectively, county sheriffs’ offices in Gogebic County, MI and in Vilas County, WI (East), and in Lake County, MT (West)). These law enforcement agencies can be reached as follows:

Gogebic County, MI - (906) 667-0203

Vilas County, WI - (800) 472-7290

Lake County, MT – (406) 883-7301

UNDERC East, commonly referred to as Land O’Lakes, the University-owned property located in the northern Wisconsin and Michigan’s Upper Peninsula, is staffed by a year-round, full-time property manager. Residence halls and teaching facilities at Land O’ Lakes are monitored by

resident staff members who oversee access privileges during seasonal use (May-September). Similarly, at UNDERC West, located in Montana, University-rented housing and instructional facilities are monitored by resident staff when students are present (June-August). For both locations, on-site staff members provide the first link in the reporting of non-urgent crimes or other incidents. The University has not entered into any memoranda of understanding with any police agencies with jurisdiction over UNDERC East or UNDERC West.

The University does not officially recognize any student organizations in any locations outside of UNDERC East or UNDERC West.

## **Emergency Procedures and Crime Reporting**

Individuals are encouraged to accurately and promptly report all crimes to the local law enforcement authorities, including when the victim is unable to make such a report. Criminal investigations are handled by the county sheriff’s department with jurisdiction (see above). In the event of an emergency, contact the police by dialing 9-1-1, giving your location, and asking for the appropriate county

sheriff’s office. In the instance of a non-emergency, or an occurrence that does not merit immediate medical attention, individuals are encouraged to call one of the numbers cited below. In the event of a crime, emergency or suspicious situation at an UNDERC site, resident staff should be notified immediately, regardless of whether local law enforcement officials have already been contacted. The pertinent telephone numbers to call at UNDERC East (Land O’ Lakes) are:

Gary Lamberti (Director) – (906) 842-1012

Matthew McClelland (Property Manager) – (906) 842-2257

Michael Cramer (Assistant Director) – (906) 842-2486

Teaching Building – (906) 842-8633

In Montana at UNDERC West, call the UNDERC Director Gary Belovsky at (406) 644-2265 or Assistant Director David Flagel who can be reached at the teaching/residence building at (406) 644-8639.

## **Building Lighting and Physical Plant**

The UNDERC East (Land O’ Lakes) Property Manager and maintenance personnel maintain the academic buildings and residence facilities with a concern for the safety and security of the members of our community. At UNDERC West, the landlord of the rental facilities is responsible for all building-related maintenance work. Facilities and lighting are regularly surveyed by UNDERC staff. Anyone who notices a problem with the physical site that would jeopardize the safety and/or security of others should contact an UNDERC site staff member, all of whom can be reached via the contact numbers listed below.

### **UNDERC East:**

Gary Lamberti (Director) – (906) 842-1012

Matthew McClelland (Property Manager) – (906) 842-2257

Michael Cramer (Assistant Director) – (906) 842-2486

### **UNDERC West**

Gary Lamberti (Director) – (406) 644-2265

David Flagel (Assistant Director) – (406) 644-8639

Residence/Instructional Building – (406) 644-2478

## **Security of and Access to the Academic Facility**

The University facilities at UNDERC East (Land O’ Lakes) are private property. Individuals are allowed onsite at the discretion of the University. Normal operating dates for UNDERC East are from May 15 to September 15. Access to the property between March 1 and May 15 is severely limited due to the instability of the roads during the spring thaw. Depending on road conditions, the property manager may restrict or prohibit driving on

certain portions of the property until late May.

The gates to the UNDERC East (Land O' Lakes) property are locked and access is restricted to authorized personnel only. Requests for access to the property for scientific and educational purposes must be made through the Director or Assistant Director, both during the spring-summer field season and at all other times of the year. The property manager does not have the authority to admit visitors to the property for scientific or educational purposes, nor can he permit anyone to use UNDERC facilities or equipment, without prior approval from the Director or Assistant Director.

Residents and regular visitors of UNDERC East (Land O' Lakes) may be issued keys to the south property gate by the Director or Assistant Director. Keys are not to be duplicated or given to others without permission. Possession of a key to the property gates does not constitute implied permission to enter the property unless specific authorization has been given to do so. Even more, keys must be surrendered immediately at the request of the UNDERC Director, Assistant Director or the Land O' Lakes Property Manager.

Each person visiting the property, including field station residents, must complete a Visitor Information Form each time he or she visits the property. Visitors may obtain forms from the Assistant Director that must be filled out and returned to the Assistant Director immediately following their arrival. During the spring-summer field season, UNDERC East visitors must always inform the Assistant Director once they are on site. At other times, or if the Assistant Director is unavailable, visitors must check in with the Land O' Lakes Property Manager in order to retrieve and complete a Visitor Information Form. Visitors are expected to lock entrance gates each time they enter or leave the property.

Safety and security within the residence facility is the responsibility of the on-site UNDERC staff. Even more, while the Land O' Lakes property is gated and locked, and the UNDERC West site is on private property, ensuring that residence facilities are free of uninvited visitors requires that residents themselves take an active role in maintaining the safety of others. For example, residents should immediately notify on-site UNDERC staff concerning the presence of strangers onsite. It is important to note that residents are held accountable for the actions of their guests. Furthermore, it is the University's expectation that visitors abide by all University rules. Policies for persons visiting residence halls are outlined within the sites' residence hall rules.

## **Support Services for Victims**

In addition to the reporting options available to all members of the University community, members of the Notre Dame community at one of the UNDERC locations who are the victims of crime or sexual assault may receive confidential support and assistance at local hospitals, which are noted below. Also, resources specifically dedicated to serving victims of sexual assault or misconduct are indicated by a (\*) mark.

## **Sex Offender Registries**

Sex offender registries provide detailed information about individuals who register as sex offenders in the relevant jurisdiction. The purpose of such registries is to inform the general public about the identity, location, and appearance of sex offenders who live, work, or study in a jurisdiction. The sex offender registries for UNDERC sites are:

Michigan-<http://www.mipsor.state.mi.us/>  
Wisconsin-<http://offender.doc.state.wi.us/public/>  
Montana-<https://app.doj.mt.gov/apps/svow/default.aspx>

## **Crime Alerts (a/k/a Timely Warnings)**

In an effort to provide timely notice to the Notre Dame community, in the event a serious crime against people occurs onsite at UNDERC East or UNDERC West and poses a serious, ongoing threat to members of the Notre Dame community at one of the UNDERC sites, an email Crime Alert will be sent to all students and employees who are documented as being on site at that particular time. The Crime Alert is also typically posted on an established

central bulletin board. Updates to the Notre Dame community at the affected site about any particular case resulting in a Crime Alert may be distributed via email and may also be posted on an established central bulletin board. The UNDERC Director, the site's Assistant Director, or the Land O' Lakes Property Manager will consult the Notre Dame Police Department Chief or designee when drafting a Crime Alert. Crime Alerts and any updates will be drafted and disseminated in a way that protects the confidentiality of complainants. Such alerts and updates shall not include identifying information about the complainant in any publicly-available recordkeeping to the extent permitted by law.

### **Notification About an Immediate Threat**

Notre Dame will immediately notify the appropriate UNDERC community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students, faculty or staff on the property. County public safety officials near UNDERC sites are primarily responsible for confirming that there is a significant emergency or dangerous situation on the property that could cause an

immediate threat to the health and safety of the members of the community.

The UNDERC Director, Assistant Directors and the Land O' Lakes Property Manager are responsible for communicating appropriate, relevant information to students, faculty and staff in the event of an emergency. Notification tactics include the following: A note will be posted on a centralized bulletin board, a mass e-mail or text message will be sent, or an in-person announcement will be made inside the academic and/or resident facilities.

Taking into account the safety of the community, the UNDERC Director, Assistant Directors or the Land O' Lakes Property Manager will immediately determine the content of the notification, and then initiate the notification system. Such actions will be delayed if first responders, such as police and fire service, feel that the notification would compromise the efforts to assist a victim, or contain, respond to and mitigate the emergency.

The general public can view information regarding emergency situations at Notre Dame, and on its affiliated properties, by visiting the Notre Dame Emergency Information website [here](#).

## Fire Safety

All Notre Dame students are required to complete the online fire extinguisher training through ComplyND.

1. At the UNDERC East property in Michigan/Wisconsin, the dormitory in which the students reside has a centralized fire alert system, and a sprinkler system. Also, fire extinguishers are located in each of the common areas, all of which are checked for usability monthly. Additionally, each dorm room has an emergency ladder to expedite escaping from a fire if exits are blocked. (The UNDERC staff demonstrates how to use these ladders.)
2. At the UNDERC West property in Montana, the housing facility has smoke detectors and fire extinguishers in each of the common areas, all of which are checked monthly.

In the event of a fire, students and staff are trained to safely exit buildings and meet at a predetermined location to ensure that all on-site individuals are accounted for. Fire drills are regularly scheduled to make sure students understand the fire safety protocol. All fire drill protocols are posted in each dormitory building, individual room and laboratory area.
